Dear Music Students,

Welcome back to our returning students and a special welcome to our new music majors. On behalf of the music faculty and staff, we are glad that you are with us and we will do our best to enhance your musical and educational experiences at Newberry College.

Please read this Music Student Handbook and keep it nearby as it has very important information that will assist you throughout your music programs. It includes, but is not limited to, information on the following:

- Department policies and procedures
- Our various majors and minors
- Advising assistance
- Ensembles
- Juries and Upper Division Qualifying Exams
- Recitals

There is also a section with important forms. All in all, this handbook, along with the faculty and staff, is designed to help guide you toward degree completion and into your careers that follow.

We are glad that you are here, and we look forward to you being a part of your musical experience at Newberry College.

Musically Yours,

*Chris Sheppard*

Mission Statement of the Department of Music
The Newberry College Department of Music, through a supportive student-oriented community, provides a comprehensive musical foundation from which students may pursue an ongoing involvement with music. The faculty and staff encourage the development of musicianship, creativity, critical thinking, leadership, and personal growth through instruction, performance, scholarship, and service. The Department of Music is dedicated to the aesthetic value of the musical arts and strives to ensure that Newberry College students remain passionate, lifelong advocates of music.

Goals of the Department of Music (Program Learning Outcomes)
• Demonstrate competency and improvement in music performance.
• Attain and demonstrate knowledge of music theory, music history, and music literature appropriate for individual degree programs.
• Attain and demonstrate knowledge of music technology and music pedagogy appropriate for individual degree programs.
• Demonstrate growth of written and aural communication skills using appropriate musical terminology.
• Strengthen and demonstrate skills of critical thinking through musical listening, analysis, and assessment.
• Develop a global awareness of musical diversity as human expression.

Music department graduates are prepared to participate and lead in a variety of levels in the field of music. Newberry music graduates include outstanding professional performers and choral and instrumental music educators who are leading excellent school music programs throughout the Southeast. Newberry music alumni have received graduate degrees in programs throughout the United States. Music Department graduates have also had successful careers in the music industry.

The Department of Music at Newberry College is accredited by the National Association of Schools of Music (NASM).

DESCRIPTION OF MUSIC FACILITIES

General Rules and Regulations

The Alumni Music Center Building is an excellent facility which must be maintained by all who use it. Eating is not allowed in the Alumni Music Center due to the buildings required mask policy. Smoking is not allowed in the Alumni Music Center. We want our students to feel comfortable and at ease in our building therefore, we will not tolerate abusive language, obscenity, or other offensive behavior. Please show respect for yourself and others and refrain from such behavior.

Recital Hall

The West Memorial Recital Hall is an auditorium with a seating capacity of approximately 150, located in the Alumni Music Center. All scheduling of this hall should be done through the Administrative Assistant to the Department of Music. No smoking, eating, or drinking is allowed in the Recital Hall.

When attending performances and lectures, as a courtesy to the performer/speaker and to others in attendance, please be aware that sounds such as whispering, and the rustling of programs and cellophane wrappers are magnified inside the recital hall. Please turn off all watch alarms, cell phones, and other electronic devices.

Music Office

The Department of Music Office is located in Room 100 (to the right as you enter through the front doors). A copier is located in the Music Office. It may be used for music-related copying projects only. However, you will need your student ID to access the copier and a charge will be assessed to your account for all copies. You may contact the Music Administrative Assistant for help in making copies.

Practice Rooms

Practice rooms are located on the second floor of the Alumni Music Center. There is to be no eating, smoking or drinking in any of these rooms.

Music Technology Classroom

The Music Technology Classroom is located on the second floor in room 221. Although primarily used as a classroom, it is also available for student use during regular class hours. There is to be absolutely no eating, drinking, or smoking in the Music Technology Classroom.

Lobby (Public Area)

The Music building lobby many times serves as a gathering place for music students, but it should be remembered that this is also the first area of our building that is seen by the general public when they visit our facility. Please make sure that you do not leave trash, books, clothing, etc, scattered about in the lobby. Also, the furniture in the lobby is provided to create a comfortable place for students and visitors. Therefore, to ensure the durability and usefulness of the furniture, there is to be no sleeping on the furniture. Please be sure to maintain a 6-foot distance at all time.

Bulletin Boards

Music students should check the bulletin board located to the right of Room 103 for important announcements from the Music Department. Bulletin boards are located throughout the Music Building, and each of them contains postings which are important to our students, but the board next to Room 103 will contain the most time-critical announcements and it should be checked daily.

Resource Center

This facility is open during regular class hours. Some materials are available for check out; others are for use only within the confines of the Resource Center. Lost or damaged items will be charged to the student involved. Additional music books, scores, and recordings are available through Wessels Library on the Newberry College campus.

Ensemble Libraries

A student may check out a score or a part from these libraries with the permission of the faculty member in charge. The regulations and penalties for check-out and return of these items are the same as those governing the materials in the Newberry College Library.

Instrumental Storage

The Instrumental Storage Room (Room 102B) for school owned instruments only, is located behind the Instrument Rehearsal Room (Room 102). Storage lockers for privately-owned instruments are located on the second floor. See the Administrative Assistant to obtain a locker and combination lock. Students owning their own instruments are encouraged to insure them as a security measure. Newberry College is not responsible for privately-owned instruments.
ADMISSION

Auditions

Audition requirements: Students must be prepared to perform two pieces of your own choosing in contrasting styles. If the student would like to be accompanied, please notify the Music Department at (803) 321-5633 or 5176 at least one week in advance of your audition date and bring along an original copy of the accompaniment (not a photocopy). Instrumentalists will be asked to play several scales. The audition will also include a short section of sight-reading and tonal memory, diagnostic music knowledge test (for placement purposes only), and an informal interview with the music faculty and Department Chair.

Please note that in addition to determining admittance, this audition also determines a student’s eligibility for a music department scholarship.

Admission to the Department of Music is chiefly determined by an audition before the Music Faculty. Currently students are allowed to pursue their degree of choice; however, if it is determined by a consensus of the music faculty that the student will not succeed in a particular degree program, the department chair will discuss alternatives with the student. In some cases, audio recordings may be accepted for the audition. All other requirements for admission to Newberry College, as described in the college catalog, must be met.

Financial Aid

There are many types of financial aid available to students at Newberry College including the PELL Grant, South Carolina Tuition Grant (for residents of South Carolina), Stafford Student Loans, and various college scholarships. Information concerning all of these sources and others may be secured from the office of Financial Aid, located in the Welcome Center.

ALL STUDENTS MUST RE-APPLY EACH YEAR FOR ANY TYPE OF FINANCIAL AID

Since many of these funds are available on a first-come first-served basis, it is extremely important that all financial papers and forms be filed as soon after the first of January as possible. The necessary forms include the Free Application for Federal Student Aid (FAFSA) form to the College Scholarship Service and for South Carolina residents, the South Carolina Tuition Grant Application. Music Education students are also encouraged to apply for the South Carolina Teachers Loan program.

The Department of Music offers music scholarships to deserving students. All music majors are required to participate in a major music ensemble each semester; students receiving scholarships may have additional performance requirements. Music scholarships for returning music majors are re-evaluated each spring by the music faculty on the basis of the student’s musical performance and progress, contribution to ensembles, and academic progress.

Outstanding music students are honored each year by being chosen for special endowed music scholarships. See the college catalog for a list of these scholarships.

REGISTRATION

Advisors

Upon entering the Department of Music, each student is assigned a faculty advisor. It is the function of the faculty advisor to aid the student in planning his/her coursework in proper sequence and to offer general help and counsel where needed or requested. Each student is urged to maintain contact with his/her advisor and to bring to the advisor any problems with which the advisor might be of assistance. Ultimately, it is the student’s (not the advisor’s) responsibility to select the courses in a manner leading to graduation. (See “Sequence of Courses Not Offered Every Year,” p. 30 in this handbook.)

On-line Registration Process

Registration is held at the end of each term for the next term. Opening of on-line registration is announced via e-mail to students. Students should immediately contact their faculty advisor for an appointment. The student should then prepare a proposed course load for the next semester to be approved by their advisor during their meeting. Students may register for the proposed courses online or this may be done during their meeting with their advisor. When course work for the next semester has been determined by the student and his/her advisor, the advisor will then submit final approval of the student schedule to the registrar via the online registration website. Until the advisor has finalized the student schedule and submitted it via the online registration site, the student is NOT officially registered for courses for the next semester.

Bachelor of Music Education students should always complete registration as early as possible to avoid scheduling problems that may develop due to the program’s tight schedule.

Private lessons will be scheduled individually with the instructor during the first week of classes. Students should make every attempt to contact the instructor during the first week of school. (You will need to have a copy of your schedule to give to your instructor.)

The normal course load is 15-18 hours, but a student with a cumulative grade-point average (GPA) of 3.0 or higher may register for a maximum of 21 credit hours each semester. Course loads in excess of 18 hours must be approved by the Academic Dean and will carry an additional charge per credit hour. Music Education majors, in good standing (who are meeting minimum course and GPA requirements), are allowed to pursue additional credit hours up to 21 per semester, for 8 semesters, without incurring an additional charge per credit hour.
**Applied Music Fees**

Music fees for a semester are as follows:

Private lessons in: Piano, Organ, Voice, Guitar, Bass, Band and Orchestral Instruments:

- One lesson per week (30 minutes): $250.00 for 1 Credit Hour per semester
- Two lessons per week (2-30 minutes or 1 hr.): $500.00 for 2 Credit Hours per semester

** Bachelor of Music students taking more than two hours credit in Applied Music courses (MUA courses) will be charged for a maximum of two hours. The total cost for a private lesson will be capped at $500 per instrument/voice lesson.

**Class Instruction:**

- Piano Class (MUA 101, 102, 201 and 202) $100.00 per class per semester
- Guitar Class (MUA 400) $100.00 per class per semester

**Small Ensembles**

Admission to any college ensemble is by audition and permission of the Director. Major college ensembles that give degree credit include the Newberry College Singers, Wind Ensemble, and Chamber Orchestra. All music majors are required to participate in one of these ensembles each semester. In addition, all music majors are required to experience a Chamber Ensemble at some point before graduation. Each year, Instrumental Performance majors must participate in a Chamber Ensemble in the Fall semester. Other ensembles include:

- Madrigals
- Jazz Big Band
- Jazz Combo
- Opera Workshop
- Woodwind Ensembles (Clarinet Ensemble, Flute Ensemble, Saxophone Ensemble, Woodwind Quintet)

All of these ensembles have an option of zero or one credit. Note that students who choose “zero credit” will still receive a grade for the ensemble on their transcript.

Interested persons should contact the directors of the respective ensembles regarding auditions and other ensemble requirements. Attendance at all rehearsals and performances is mandatory. Absence from any performance or dress rehearsal without proper notification and extreme circumstances may result in expulsion from the ensemble or other appropriate disciplinary action. Excessive absences from rehearsal will result in similar disciplinary action.

**Ensembles Requirements**

The following are the ensemble requirements for all music majors regarding their major/large ensembles.

- **VOICE, PIANO*, GUITAR* Majors:**
  - Must be enrolled every semester in Newberry Singers
  - MUS ED majors are exempt during semester of Student Teaching

- **WOODWIND, BRASS, PERCUSSION Majors:**
  - Must be enrolled every semester in Wind Ensemble
  - MUS ED majors are exempt during semester of Student Teaching

- **STRING Majors:**
  - Must be enrolled every semester in Chamber Orchestra
  - MUS ED majors are exempt during semester of Student Teaching

*Piano and Guitar majors can choose either Newberry Singers OR Wind Ensemble to be their major/large ensemble.
ACADEMIC REGULATIONS/REQUIREMENTS

Scholastic Regulations:  (See THE 2019 - 2020 NEWBERRY COLLEGE CATALOG)

Academic Probation:  (See THE 2019 - 2020 NEWBERRY COLLEGE CATALOG)

Academic Dishonesty:  All suspected cases of cheating or plagiarism will be reported to the Office of Academic Affairs and the Academic Appeals Committee.  Students found guilty are subject to suspension from the College.

Practice Requirements:  Every course in Applied Music carries a stipulated minimum number of hours of practice each day.  It is the student's individual responsibility to maintain regular daily practice.  Practice time will affect the grade for private lessons.

Final Jury Exams
Music majors must take a jury exam each semester in their major performing area.  The jury exam involves performing repertoire, scales, and sight-reading (instrumentalists only) for the jury panel.  Exemption from the jury exam may be granted at the discretion of the student’s applied music teacher if the student has completed a recital during the semester to be exempted.  Failure to appear for a jury will result in a grade of “F” for the semester.

Final jury exams are generally held on Reading Day each semester.  The schedule will be posted outside the Music Office approximately 1 week prior to the date of the juries.  These schedules are arranged according to the performing area and special attention should be paid to your appointment time.  Students should plan to arrive at least 30 minutes prior to their appointment time to insure adherence to the allotted times for their performing area.  Jury forms are available in the music office.

Applied Music Standards
Only music majors who have been admitted to the Bachelor of Music program can take an applied music course for more than two hours during each semester.  A syllabus specifying the requirements of an applied music course may be obtained from the student’s applied music teacher.

PIANO PROFICIENCY

All music majors are required to take Class Piano I and Class Piano II.
BM and BME students are required to take Class Piano III and Class Piano IV as well.

Level 1 of the Piano Proficiency Exam is required of all music majors.  It will be given as the final exam for Class Piano II; students receiving a B or higher in that course will be considered to have passed Level 1 of the Piano Proficiency Exam.

Level 2 of the Piano Proficiency Exam is required only of BM and BME students.  It will be given as the final exam for Class Piano IV; students receiving a B or higher in that course will be considered to have passed Level 2 of the Piano Proficiency Exam.

Any student who does not receive a high enough grade in the course to pass the given level of the Piano Proficiency Exam must retake that level the following semester, either by retaking the course or making other arrangements with Dr. Sarah Masterson.

Level 1 of Piano Proficiency Exam:
1.  Play five-finger patterns in every key.
2.  Play major scales up to 3 flats and sharps, 2 octaves, hands together.  Should be played in eighth notes at approximately quarter = 60.
3.  Harmonize major and minor melodies at sight using “piano position” I, IV, or V in the LH.
4.  Play a simple lead-sheet harmonization, provided 48 hours in advance.
5.  Be able to play the given arrangement of “Happy Birthday”.
6.  Sight-reading at an appropriate level.
Level 2 of Piano Proficiency Exam:
1. Play white-key minor scales, 2 octaves, hands together. Should be played in eighth notes at approximately quarter = 60.
2. Transpose simple melodic lines to any key.
3. Play 2 parts of a 4-part choral score in any combination, provided 48 hours in advance.
4. Play the given accompaniment (either instrumental or vocal/choral) of a piece on the middle school or high school level of difficulty.
5. Be able to play the given arrangement of “The Star-Spangled Banner”.
6. Sight reading at an appropriate level.

Piano Placement Exams:
Incoming freshmen with piano experience may test out of Class Piano I and/or Class Piano II. Sufficiently advanced pianists (such as piano majors) may test into private lessons, at the piano professor’s discretion. Placement exams will be scheduled at orientation or in the first week of classes.

To test out of Class Piano I, students must:
1. Play five-finger patterns in every key.
2. Play the C, G, and D major scales in 2 octaves, hands together, in eighth notes at quarter = 60.
4. Play the given repertoire piece (approximately the difficulty level of “Morning Salute” on p. 128 of Alfred’s Group Piano for Adults).

To test out of both Class Piano I and Class Piano II, students must:
1. Play white-key minor scales, 2 octaves, hands together. Should be played in eighth notes at approximately quarter = 60.
2. Transpose simple melodic lines to any key.
3. Play 2 parts of a 4-part choral score in any combination, provided 48 hours in advance.
4. Play the given accompaniment (either instrumental or vocal/choral) of a piece on the middle school or high school level of difficulty.
5. Be able to play the given arrangement of “The Star-Spangled Banner”.
6. Sight reading at an appropriate level.

RECITALS

Recital Requirements:
A student must be studying applied music with a member of the Newberry College faculty in the area or areas in which he or she will be presenting a recital during the semester in which he or she presents the recital. Regardless of degree program, applied lessons must be taken until the successful completion of the recital.

**BACHELOR OF ARTS IN MUSIC (B.A.) DEGREE:**
- Emphasis in: Music (General)
- Music Theory
  
**BACHELOR OF MUSIC IN PERFORMANCE (B.M.) DEGREE:**
- Concentration in: Vocal Music
  - Recital (MUA 380) 1 hr. credit
- Instrumental Music (Band, Orchestra, Guitar, Bass, Piano, Organ)
  - Recital (MUA 380) 1 hr. credit
  - Recital (MUA 480) 2 hr. credit

**BACHELOR OF MUSIC EDUCATION (PK-12) (B.M.E.) DEGREE:**
- Concentration in: Choral Music:
  - Recital (MUA 380) 1 hr. credit
- Instrumental Music (Band, Orchestra)
  - Recital (MUA 380) 1 hr. credit

MUA 380 – Recital: A recital lasting approximately 30 minutes
MUA 480 – Recital: A recital lasting approximately 60 minutes

*All recitals should be scheduled by the students through the Administrative Assistant during the first three weeks of the school year.*

Note: These performances are subject to approval/cancellation by the Music faculty during the Recital Hearing process.

Recital Hearing
**At least three (3) weeks before the scheduled date of a recital,** the student must perform the recital for the Music faculty. Following the hearing the Faculty will make a decision concerning approval of the recital. If the recital is approved, it will be presented as scheduled. If a student fails the first hearing, he or she may schedule another hearing (and another recital date) during the same semester, or later.

If a student fails the second hearing, a final hearing (and recital) must be scheduled at least one semester later. Failure of the third recital hearing will result in the student’s expulsion from that degree program.

All students giving recitals must register for the appropriate recital number and must register for Applied Music in the appropriate area during the semester in which the recital is given.
Programs

Since learning to prepare recital/concert programs is a valuable part of any professional musician’s training, the Newberry College music student is required to prepare his/her recital program following these procedures and guidelines. The recital draft must be typed and all words/names, etc. must be correctly spelled with any diaritical marks added. Personal notes may be included in the programs, but they should be placed on a separate sheet and included as an insert page of the formal program. The program should then be submitted for approval to the applied teacher in charge before the date of the recital hearing.

All program information including program notes and translations (if applicable) must be submitted to the Administrative Assistant of the Department of Music at the recital hearing. Any program received after the recital hearing may be refused by the department administrative assistant and will then be the responsibility of the student to complete. The Department of Music furnishes basic programs for student recitals. Students wishing more elaborate programs must bear the expense personally and receive approval from the department chairperson by the time of their hearing. In addition, students preparing their own programs must submit three (3) copies to the Administrative Assistant of the Department of Music for departmental records.

Receptions

Receptions after student recitals are not provided by the Music Department. If a student wishes to have a reception, he/she must arrange for it and pay for the expenses personally. In a joint recital situation, the reception must not be held until the completion of the second recital.

Recital Attendance Dress Code

Students attending evening recitals, convocations, and other similar events must wear appropriate business attire. Students must avoid wearing caps, athletic uniforms and gear, ripped clothing, shower shoes/flip flops, pajamas, sweatpants, cut off pants, or inappropriately revealing garments.

Extra-Curricular Musical Performances

These performances should not interfere with the student’s academic work and must be approved in advance by the student’s applied music instructor.

Repertory Seminar (MUS 100)

Repertory Seminar is a course designed to acquaint music students with literature for various media through live performance by requiring attendance at recitals, concerts, and repertory classes on Tuesday mornings. Students also develop their ability to evaluate musical performances by writing self and peer critiques of performances from Repertory Seminar classes. All music majors are required to complete eight (8) semesters of Rep class (7 for Music Education majors) and three (3) peer critiques per semester to meet their degree requirements. The course does not carry academic credit since it is a “0” credit course, but there is a new letter grade system for this course (see course syllabus).

The number of absences allowed each semester may vary and will be announced by the Department Chair at the beginning of the semester with four (4) being this usual number of absences allowed to pass this course. A list of required events will be distributed in class and additional required programs may be added later during each term. Attendance is taken at all Tuesday rep classes and recital/concert events with a sign-in sheet (honor system). The student must sign an Attendance Sheet for all Rep required events in order to receive credit for Repertory Seminar attendance. Failure to comply with this requirement any semester will result in the grade of “F” for MUS 100 for that semester.

Performance Requirements

Every music major and minor is required to perform at least once each semester in which they are registered for Repertory Seminar. Students will be expected to complete a self-evaluation after each of their performances in Repertory Seminar Class. Some studios have additional performance requirements; students should check their lesson syllabus for specific Repertory Seminar requirements in their area.

Procedure for Performing on Repertory Seminar:

1. Students must have teacher approval to perform on Repertory Seminar.
2. Repertory Seminar forms should be filled out WITH YOUR TEACHER to ensure all the information is complete and correct. Your teacher MUST SIGN THE FORM in order for you to be included in the program.
3. Repertory Seminar forms must be filled out legibly and correctly, with all information included.
4. RS forms must be returned to the Music Department office by NOON on the Monday before you intend to perform.
5. Students handing in forms late may have to wait and perform on the next week’s Repertory Class.

Performing on Repertory Class

Performing on Repertory Seminar is done with the consent of the appropriate applied music teacher and requires their signature on the form. Forms for performing on Repertory class are located on the bookshelf in the first-floor hallway and must be submitted 24 hours prior (Monday by Noon) to the Repertory Class on which the student will perform. Forms must be given to the music Administrative Assistant or put under the office door by this time. The dress code for performing on Repertory Class is the same as the recital dress code.
Degree Requirements

A. Bachelor of Arts in Music (B.A. Degree) Requirements

1. Core Curriculum ................................................................. (36-42 hours + Mayterm Course)
   Candidates for the Bachelor of Arts in Music degree are required to complete the Core Curriculum. In addition to completing these requirements, the Liberal Arts candidates choose general electives to equal a total of at least 120 hours.
   **Several music courses in the degree satisfy core curriculum requirements reducing the core credit hours to 39-52 hours.

2. Music Courses ................................................................. (52-61 hours)
   a. Bachelor of Arts in Music (General) (Appendix – Pg. 40)
      The Bachelor of Arts in Music degree is appropriate for the student who has a high interest in music, wants to learn more theoretical and historical aspects about music, and wants to continue and improve in performance. This degree offers the possibilities of minoring or double majoring in another area of interest and of taking a wide variety of general core electives. The purpose of the degree does not necessarily promote vocation in a music field after graduation, but promotes a lifelong advocacy and enjoyment of the art. The degree is completed in four years.

C. Bachelor of Music Education Degree (B.M.E.)

The Bachelor of Music Education degree (B.M.E.), in cooperation with the Newberry College Department of Teacher Education, leads to South Carolina PK-12 licensure and is designed for those students aspiring to the challenging and essential service of teaching music in the public school sector. Students become well-rounded life-long learners, musicians, and teachers of music through a rigorous curriculum including courses in areas of general studies, musicianship, and professional and music education. Candidates choose a concentration of choral or instrumental music, but upon graduation are prepared and qualified to teach any music subject and level. Successful graduates will possess the knowledge, skills, and dispositions to provide confident, enthusiastic, and committed leadership in the field of teaching music. The BME can be completed in four rigorous years, although some choose to extend it.

Bachelor of Music Education Requirements

The Music Education program works closely with the Department of Teacher Education, sharing many goals, conceptual frameworks, and disposition requirements for students. The Bachelor of Music Education provides licensure for teaching pre-kindergarten through high school. Students choose either choral or instrumental music as a concentration but will be prepared to teach in all areas and grade levels.

Music Education Examinations and Fees

All teacher candidates are required by the State of South Carolina State Department of Education to pass Praxis I Reading, Writing, and Mathematics tests in order to be accepted into a Teacher Education program. This test may be exempted for students who scored at least 22 on the ACT, 1100 on the 2-part SAT, or 1650 on the 3-part SAT. If one wishes to exempt the test, the student must provide proof of scores from the Office of Enrollment Management (to the Department of Music) their freshman year. If the test has been failed three times, it is suggested that the candidate discuss the possibilities of a change of major with their advisor and music education professor. Please be aware that delays in taking this test and/or providing the required admission essay (due to the Department of Teacher Education during the sophomore year) could add one or more semesters in the planned program and graduation.

Over the course of acquiring initial licensure to teach, the average candidate must pay $1375 in ETS testing fees, state registration fees, and general program fees. The Department of Music in conjunction with the Department of Teacher Education will institute a fee schedule beginning in Fall 2014 to cover these outside expenses. The courses required by the music education major which will each incur a $125 fee include: EDU 224, 230, 232, 455, 480, 483 and MUS 102, 281, 381, and 471 or 472. The Praxis I Test will be taken during EDU 230 and the PLT/Praxis II will be taken prior to student teaching or as determined by the Department of Teacher Education. These fees will only cover the first attempt for these tests. If further attempts are necessary, they must be paid by the candidate. If a class or the program is dropped, no fees will be reimbursed. Two TB tests during the tenure will be paid by the candidate and are necessary before one is allowed into the public school sector to attain field experience hours. Please contact the Department of Teacher Education if a comprehensive breakdown of the fees is desired.

Music Education Program Requirements

The B.M.E. degree requires at least 133 hours of course work in four areas: Core Curriculum Requirements, Music Requirements, Concentration Requirements, and Education Requirements.

Candidates should take EDU 224 during fall semester of their freshman year. MUS 102 and EDU 230 should be taken the spring semester of the freshman year. EDU 232 is taken during the sophomore year, as well as MUS 281. EDU 224 and MUS 102 are prerequisites for all other education classes, and all of the above should be taken before the conclusion of the sophomore year and the sophomore barrier. Additional required education courses include: MUS 381, MUS 471/473 or 472, EDU 455, EDU 480, and EDU 483. Schedules for transfer students will be considered on an individual basis. All candidates must pass or exempt Praxis I Reading, Writing, and Mathematics tests and apply for and be admitted into the Teacher Education Program before taking MUS 381, 471/473 or 472. Please see requirements for admission in the Teacher Education section of the Newberry College Catalog.

The B.M.E. degree requirements include all courses required for PK-12 teacher certification in the State of South Carolina as well as an accumulation of 100 hours of field experience.

A grade of a “C” or above must be made in EDU 224, EDU 230, and EDU 232 and a minimum overall grade point average (GPA) of 3.0 must be maintained. **If a candidate has a GPA of 2.75-2.99, and an otherwise very strong application, a disciplinary content GPA of 3.0 may be accepted in lieu of the overall GPA of 3.0. The music education student must give evidence of positive dispositions, commensurate with being a future public school teacher.
1. **Core Curriculum Requirements** .................................................. (33-39 hours + Mayterm Course)

Candidates for the Bachelor of Music Education (B.M.E.) degree are required to complete the 2014 Core Curriculum.

**Total hours for the Bachelor of Music Education degree** ........................... 139-142

Regulations, performance standards and additional requirements for each degree, major, and minor are listed in the *Music Department Handbook*.

**Minor Requirements**

Students may minor in Jazz Studies, Music or Musical Theatre

**Jazz Studies Minor (17-18 hours)**

The Jazz Studies minor is designed to be taken by students currently enrolled as music majors. Non-majors may also enroll in this minor with the permission of the Department of Music. Some of the courses required for the Jazz Studies minor may have prerequisites that will require additional course work for non-majors. The Jazz Studies minor will require 18 semester hours in addition to those already required for a music major. The Jazz Studies minor requires 18 hours as follows:

- History of Jazz (MUS 311) .................................................................................. 3

MUSIC PERFORMANCE HONORS PROGRAM

Purposes
The Music Performance Honors program will serve the following purposes.

• Recognize outstanding student musicians who perform at the level of the Bachelor of Music in Performance but pursue music degrees other than the Bachelor of Music in Performance.
• Prepare those students to audition for graduate degree programs in music performance.
• Requires additional lessons, recital, and chamber music performance but no additional academic coursework.
• “Music Performance Honors” will be posted on the student’s transcript.

Requirements

• 24 credits of private lessons
• MUA 380 (half-hour recital – 1 credit)
• MUA 480 (hour recital – 2 credits)
• 4 semesters of chamber music on the student’s major instrument (1 credit each)

Admission Criteria

• Students are admitted to this program following the Upper Division Qualifying Exam.
• Students must meet the same performance standards as students in the Bachelor of Music in Performance degree program.

PRIVATE LESSON AND CLASS FEES

Music fees for a semester or a summer session are as follows:

Private lessons in Piano, Organ, Voice, Guitar, Bass, Band & Orchestral Instruments .... $250 Each Credit Hour
Piano Class (MUA 101, 102, 201 and 202) ................................................................. $100
Guitar Class (MUA 104) ......................................................................................... $100
Music Education (MUS 102, 281, 381, 471 and 472) .............................................. $125

Bachelor of Music students taking more than two hours credit in private lessons will be charged for a maximum of two hours.

The total cost for a private lesson will be capped at $500 per instrument/voice lesson.

Courses requiring a fee are designated by the following symbols in the course descriptions:

† Private Lesson Fee ‡ Class Fee

INSTRUMENT USE FEE AND CARE

The fee for use of a college instrument is $20 per instrument each semester payable to the Department of Music. This fee may be waived if a student has been asked to play a specific instrument for an ensemble or class.

The student is responsible for each instrument they use and must return it at the end of the semester in the same condition that it was received. If the instrument is destroyed or lost, it must be replaced with an instrument of comparable quality and value. If the instrument is damaged in any way, the student is responsible for having the instrument repaired. Normal wear and tear for normal usage will be paid for by the Department of Music. However, any extensive damage is the responsibility of the student and they must pay the cost to have it repaired or replaced.

MUSCINRS' HEALTH

The Department of Music will be hosting a number of “Musicians’ Health” seminars throughout the academic year to promote awareness for the importance of hearing, vocal, musculoskeletal health, and injury prevention for all students, faculty, and staff. Professional health specialists will continue to be invited to offer presentations and advice on musicians’ health issues and how to maintain personal health during one’s student and professional career.
TECHNOLOGY REQUIREMENTS

To meet Program Learning Outcomes for the academic year and to provide access to technology, music students will be required to use a laptop computer or tablet with wireless network capability meeting or exceeding the recommended requirements specified under the Technology Tab in Wolf Den. Such laptops must have the basic software functionality of Microsoft Word, PowerPoint, and Excel, available free of charge in Windows 365, accessed through the Technology Tab in Wolf Den. Additional music programs are available in the Music Computer Lab.

MUSIC SCHOLARSHIPS

Music majors are eligible to receive a Music Excellence Scholarship, largely based on their audition for the program, which is awarded along with a collegiate academic award. Students will typically retain that scholarship for as long as they remain music majors. However, if a student changes to a different major (any non-music degree), the student forfeits that Music Excellence award.

Non-music majors who receive the Music Achievement Scholarship must remain an active member of the appropriate ensemble, relative to their award, to retain the award.

Students who receive a Participation Scholarship for participation in a music ensemble must meet the requirements for the course to retain the scholarship for that current semester. If a student fails the course, that specific scholarship amount is revoked for the current semester.

UPPER DIVISION QUALIFYING EXAM

(formerly Sophomore Barrier Exam)

Upon completion of the second semester of the Sophomore Level as a music major, the student is reviewed and evaluated by the music faculty to determine eligibility for Junior Standing as a music major. In order to pass, students must meet these requirements:

GPA
Music majors must have a minimum 2.75 GPA in their music classes. This will be reviewed with their advisor.

Historical/Theoretical Understanding of Repertoire
Students should be prepared to discuss some background on the composer and his/her works and answer the following questions about their repertoire:
1. In what major or minor key is the piece written?
2. What do any tempo markings provided by the composer or editor mean?
3. What do any other musical terms provided by the composer or editor in the score mean?
4. In what style period did the composer of the piece live?

Requirements:

Brass and Woodwind
BM Performance: Students should prepare two selections of repertoire of contrasting styles and periods (one piece must be accompanied), all major and three forms of minor scales, and an etude that will be available for practice 48 hours in advance of the exam.

BM Education*: Students should prepare one selection of accompanied repertoire that indicates a student’s skill level with the instrument, all major and three forms of minor scales, and an etude that will be available for practice 48 hours in advance of the exam.

BA Music*: Students should prepare one selection of repertoire that indicates a student’s skill level with the instrument, all major and three forms of minor scales as required by the applied professor, and an etude that will be available for practice 48 hours in advance of the exam.

*Students who would like to be considered for the performance honors program should prepare materials to meet the BM Performance requirements for the Upper Division Qualifying Exam.
**Percussion**

**BM Performance**: Students should prepare two selections of repertoire (one melodic and one rhythmic), all major and three forms of minor scales, show proficiency in popular drum-set styles, and prepare a marimba etude that will be available for practice 48 hours in advance of the exam.

**BM Education**: Students should prepare two selections of repertoire (one melodic and one rhythmic), all major and three forms of minor scales, show proficiency in popular drum-set styles, and prepare a snare drum etude that will be available for practice 48 hours in advance of the exam.

**BA Music**: Students should prepare two selections of repertoire (one melodic and one rhythmic), major and minor scales as required by the applied professor, and an etude that will be available for practice 48 hours in advance of the exam.

*Students who would like to be considered for the performance honors program should prepare materials to meet the BM Performance requirements for the Upper Division Qualifying Exam.*

**Vocal**

All voice students should be prepared to discuss the English translation of pieces written in a foreign language. For any song or aria, students should be prepared to discuss the poetry (if art song) or dramatic function (opera aria) of each piece.

**BM Performance**: Students should prepare four memorized songs, covering four languages, to be approved by the major teacher. The selections must include an opera or oratorio aria appropriate for age and voice type.

**BM Education**: Students should prepare three memorized songs, each in a different foreign language (French, German, and Italian), to be approved by the major teacher; and an English song that will be available for practice 48 hours in advance of the exam.

**BA Music**: Students should prepare three memorized songs, each in a different foreign language (French, German, and Italian), to be approved by the major teacher; and an English song that will be available for practice 48 hours in advance of the exam.

*Students who would like to be considered for the performance honors program should prepare materials to meet the BM Performance requirements for the Upper Division Qualifying Exam.*

**Piano**

**BM Performance**: Students should prepare two selections of repertoire of contrasting styles and time periods, one of which must be a 1st or last movement of a Classical sonata; all major and three forms of minor scales (4 octaves, hands together); and an etude that will be available for practice 48 hours in advance of the exam.

**BM Education**: Students should prepare two selections of repertoire that indicates a student’s skill level with the instrument; all major and three forms of minor scales (2 octaves, hands together); and an etude that will be available for practice 48 hours in advance of the exam.

**BA Music**: Students should prepare one selection of repertoire that indicates a student’s skill level with the instrument; all major and three forms of minor scales (2 octaves, hands together); and an etude that will be available for practice 48 hours in advance of the exam.

*Students who would like to be considered for the performance honors program should prepare materials to meet the BM Performance requirements for the Upper Division Qualifying Exam.*

**Strings**

**BM Performance**: Students should prepare two selections of repertoire of contrasting styles and periods (one piece must be accompanied), all major and three forms of minor scales and arpeggios (three octaves), and an etude that will be available for practice 48 hours in advance of the exam.

**BM Education**: Students should prepare one selection of accompanied repertoire appropriate for their skill level with the instrument, all major and three forms of minor scales and arpeggios (number of octaves as required by the applied professor), and an etude that will be available for practice 48 hours in advance of the exam.

**BA Music**: Students should prepare one selection of repertoire appropriate for their skill level with the instrument, major and minor scales and arpeggios as required by the applied professor, and an etude that will be available for practice 48 hours in advance of the exam.

*Students who wish to be considered for the performance honors program should follow all requirements for the BM Performance track.*
All etudes will be made available in the music office by 9:00 a.m. two days before the scheduled exam.

Each element of the exam will be graded by the faculty panel on a scale of 1 to 4 as listed below.

- 4 – Exceeds Expectations
- 3 – Meets Expectations
- 2 – Improvement Needed
- 1 – Unsatisfactory

The faculty panel will then decide whether the student has passed, passed with conditions, failed, or passed into another major. The student will be notified of the results in writing within one week of performing the Upper Division Qualifying Exam. Upper Division Qualifying Exam Evaluation forms are available in the music office.

Students may retake the Upper Division Qualifying Exam the following semester if it is failed. Scholarship money may be decreased for one semester and resumed the next semester if passed. If the student does not pass again, he/she will be required to change majors and will lose all music scholarship monies.

Chamber Music Experience
Every music major is required to participate in a chamber music ensemble. At least one semester is required for students in the Bachelor of Arts in Music or Bachelor of Music Education degrees. The Bachelor Music in Performance degree requires that vocal majors participate in at least two semesters of chamber music and that instrumental majors participate in at least four semesters. Performing in any of the following ensembles will meet this requirement: MUE 105, 106 (any of the woodwind ensembles), 107, 108, 109, 110, 112, 113, or 114, all of which are listed above. Opera Workshop, MUS 241, also counts as chamber music experience. MUE 110, Chamber Music Ensemble, provides the opportunity for students, who for a variety of reasons are not in established ensembles, to create their own chamber music ensemble which will perform suitable repertoire with the advice and supervision of the appropriate music faculty member. Bachelor of Music in Performance instrumental majors must complete a chamber music requirement each fall.

Music (MUS—Music Courses)

MUS 100. Repertory Seminar. (0)
Weekly performing and listening experiences, including student, faculty, and guest recitals and concerts. Written critiques of selected performances will be required of all students.
Eight semesters required of all music majors except music education majors who are required to complete seven semesters.
Offered every semester.

MUS 101. Fundamentals of Music. (3)
Required for all incoming music majors and minors with little or no formal musical background or by permission of the Instructor.
Introductory course designed to familiarize students with the basic rudiments of Western music through both aural and written practice. Topics include musical notation, rhythm, meter, key signatures, intervals, and solfege.
Offered summer II and fall semester.

MUS 102. Introduction to Music Education.‡ (2)
Required for all Music Education majors and taken the spring semester of the freshman year.
Students beginning their journey as music teachers will explore the many facets involved in public school music education and begin the development of a philosophical stance for teaching children. An historical overview of music education—including key pioneering leaders and symposia—along with realizations and introspection of why one wants to be a music teacher along with why music is required in the public schools will be probed. Requirements for graduation and state licensure will be thoroughly articulated.
Requires 8 hours of field experience. A $125 Education Fee will be incurred for this course.
Offered spring semester.

MUS 141. History of American Music. (3)
A study of the development of American music beginning with Native American music and then progressing from Colonial music to contemporary American music. The first half of the course will cover classical and folk music, while the second half will examine jazz, rock, and popular music styles. This course may be team taught by faculty within the music department.
Satisfies Core Curriculum requirements as an Interdisciplinary course (IDS).
Offered spring semester, odd numbered years.
MUS 150. Introduction to Music Appreciation. (3)
For non-music majors only.
A guide for students with limited or no musical experience to gain a greater sensitivity, understanding, and appreciation for a variety of musical styles. Cultural and other artistic influences will be discussed and the students’ listening skills will improve as they learn what musical elements make each style unique. The main emphasis of learning is early to modern classical music, and as time allows will include basic introductions to folk, jazz, and rock. Lecture and listening to recordings are the primary methods of instruction.
Satisfies Core Curriculum requirements as a Global Learning 1 course (GL-1).
Satisfies Core Curriculum requirements as a Humanities/Fine Arts course (HFA).
Satisfies Core Curriculum requirement as an Interdisciplinary Course (IDS).
Offered every semester.

MUS 151. Music Literature. (3)
(INQ 101-I / Monuments in Music)
For music majors or by permission of Instructor.
The course explores iconic works of Western musical styles and forms encompassing the past 800 years: from the Middle Ages through the Post-Modern era. An overriding skill development aim is increased critical listening through focused, analytical investigation. Expanded knowledge and appreciation for the cultural contexts distinct within each style period will be pursued as well.
Satisfies Core Curriculum requirements as a Global Learning 1 course (GL-1).
Offered spring semester.

MUS 171. Ear Training I. (1)
Prerequisites: Concurrent enrollment in MUS 173.
Sight singing and melodic and harmonic dictation on the elementary level.
Offered fall semester.

MUS 172. Ear Training II. (1)
Prerequisites: MUS 171 & MUS 173; concurrent enrollment in MUS 174.
Sight singing and melodic and harmonic dictation on the intermediate level.
Offered spring semester.

MUS 173. Theory of Music I. (3)
Prerequisites: Concurrent enrollment in MUS 171.
An introduction to the basic elements of the musical language, with extensive drilling of keys, scales, triads, seventh chords, Roman numerals, inversions, and voice leading.
Offered fall semester.

MUS 174. Theory of Music II. (3)
Prerequisites: MUS 171 & MUS 173; concurrent enrollment in MUS 172.
A study of diatonic harmony, with attention to tonal chord progressions, appropriate use of inverted chords, figured bass, voice leading, dominant seventh chord resolutions, and harmonization.
Offered spring semester.

MUS 241. Opera Workshop. (0-2)
For music majors or by permission of Instructor.
This class provides students with the opportunity to study, develop, and improve their dramatic skills outside of their voice studios and gain valuable stage experience through performance of full-staged operatic scenes. As a result of their stage experience, students will have a greater understanding of what it means to be a part of an operatic production and the development of performance practice as it relates to other historical, theoretical, and compositional music studies.
Satisfies the chamber music requirements for vocal majors.
Offered spring semester.

MUS 261. World Music. (3)
A study of the music of a wide variety of cultures around the world, including the relationships between music and society. This is primarily a lecture and listening course.
Satisfies Core Curriculum requirements as a Global Learning 1 course (GL-1).
Offered at departmental discretion.
MUS 265. Beginning/Intermediate Foreign Language Diction for Singers. (2)
Required for all B.M. vocal majors. Highly recommended for all voice majors.
An introductory study of proper diction in English, German, French, and Italian for singing. The use of the International Phonetic Alphabet and transliteration skills will be the central focus of the course of study.
Offered fall semester, even numbered years.

MUS 271. Ear Training III. (1)
Prerequisites: MUS 172 & MUS 174; concurrent enrollment in MUS 273.
Intermediate sight-singing and melodic and harmonic dictation corresponding to the vocabulary of the harmonic materials in MUS 273.
Offered fall semester.

MUS 272. Ear Training IV. (1)
Prerequisites: MUS 271 & MUS 273; concurrent enrollment in MUS 274.
Advanced sight-singing and melodic and harmonic dictation corresponding to the vocabulary of the harmonic materials in MUS 274.
Offered spring semester.

MUS 273. Theory of Music III. (3)
Prerequisites: MUS 172 & MUS 174; concurrent enrollment in MUS 271.
Modulation and chromatic harmonies, including secondary dominant and leading tone chords, mode mixture, Neapolitan chords, and augmented sixth chords. Special attention is given to music of the Romantic Era. Analysis and composition are included as major assignments. Offered fall semester.

MUS 274. Theory of Music IV. (3)
Prerequisites: MUS 273 & MUS 271; concurrent enrollment in MUS 272.
Continued study of chromatic harmonies. Major forms are discussed and analyzed, including binary, ternary, rounded binary, rondo and sonata. An introduction to serialism and a final composition project will involve generating a twelve-tone matrix and composition.
Satisfies Core Curriculum requirements as a Quantitative Literacy course (QLC).
Offered spring semester.

MUS 280. Music and Technology. (2)
For music majors and non-music majors or by permission of the Instructor.
A study of instructional design principles, multi-media tools, and their use in the PK-12 music education classroom. Students will use electronic keyboards, midi-equipped personal computers, and appropriate software to integrate and assess teaching and learning with technology in the PK-12 music education curriculum.
Offered spring semester.

MUS 281. Music Teaching in Practice.‡ (2)
Prerequisite: MUS 102.
Required for all music education majors and taken the fall semester of the sophomore year.

Dear Music Education Majors,

Welcome back, noble students! To Freshman, let me especially welcome you to our assembly of future teachers. Rest assured that all of us are here to help and support each of you in your journey as a Newberry College music education major.

As the ‘veterans’ know, this is one of the most rigorous degrees on campus. Your time is taken and given in performance activity and enhancement, theoretical acquisition, practice and observation of good pedagogical skill, and comprehension of how all this relates to other subjects and the broader world. In short: You are investing in a service profession that must be a labor of LOVE.

You may have decided to become a teacher because of your personal experiences in music classes, rehearsals, and performances. Undoubtedly, you have had more than one aesthetic experience with some beautiful and wonderful pieces of music. You have grown as a person because of the experiences requiring self-discipline, cooperation in teamwork, development of tolerance to other viewpoints, and self-examination of emotional reaction. And, now you want to guide others to have those experiences!

The following pages include information that is music education-specific. Read them over carefully to help you understand and be prepared. Some of the pages are example sheets, others are informational; pay special attention to the pages that are summaries of requirements and classes. Use these to stay on track. *Please also refer to pages 14-16 of this handbook for further information regarding music education requirements.*

Together we will work hard to accomplish our aspirations! I truly believe that devoted music educators can bring beauty, tolerance, love, enthusiasm, and delight into the world around us. Our efforts can transcend a single performance, semester, or other “moment”, with positive impact for generations of students—and parents—to come!

Sincerely,

Dr. Patrick Casey
Bachelor of Music Education

**Purposes:** The Bachelor of Music Education degree (BME), in cooperation with the Newberry College Department of Education, leads to South Carolina PK-12 licensure and is designed for those students aspiring to the challenging and essential service of teaching music in the public school sector. Students become well-rounded life-long learners, musicians, and teachers of music through a rigorous curriculum including courses in areas of general studies, musicianship, and professional and music education. Candidates choose a concentration of vocal or instrumental music, but upon graduation are prepared and qualified to teach any music subject and level. Successful graduates will possess the knowledge, skills, and dispositions to provide confident, enthusiastic, and committed leadership in the field of teaching music. The BME can be completed in four rigorous years, although some choose to extend it.

The **Mission** of the Bachelor of Music Education degree: Through intellectual, spiritual, social, and artistic growth, our future teachers will aspire to affect and enhance individual lives, communities, and the world through teaching the art of music. Our music teacher graduates will be passionate advocates of influencing public understanding, appreciation, and aesthetic reaction in all realms of music.

The **Goals** for our future teachers of music education are based around the Conceptual Framework which was designed and approved by members, including the music representative, of all education-related areas. Graduates of the music education program attain the following Conceptual Framework-based goals:

* **Best Practices:** Graduates will have practiced experience in current methodologies, pedagogical skills, and strategy for use in the music classroom.

Graduates will identify and analyze best practices for classroom management in varied music settings.

Graduates will seek and develop strategy to stimulate creative and aesthetic reactions and abilities in students.

* **Collaboration:** Graduates will identify and problem-solve for issues concerning relationships with students, parents, colleagues, community members, and administrators.

* **Content:** Graduates will have shown personal growth in musical knowledge and skill

Graduates will become serious and continuous learners of current material, resources, and technology, needed to be competent music teachers.

Graduates will realize the importance of teaching music literacy through a solid curriculum.

* **Diversity:** Graduates will be empathetic and supportive of people from differing race, culture, and economic background, and use music to promote tolerance and respect.

* **Ethics:** Graduates will serve as models to young people and will demonstrate professional attitudes, dress, and behaviors.
FIELD EXPERIENCE HOURS
Music Education

Field experiences are just what they indicate: ‘experiences in the field (classroom) of music education.’ These are one of the most important practices of acquiring your teacher education degree, and if respected and used properly they can be of the most value. Your very important job is to observe public school children and teachers, watching and analyzing what subject matter is taught and how it is imparted to students of all grades. Because the degree at Newberry College and for the state of South Carolina is PK-12, Broadfield, you will all have opportunities to observe in every grade area; elementary, middle school, and high school, and in every music area; general music, band, orchestra, and chorus.

Each field experience has a certain number of hours which you must attain. Sometimes this is difficult with the extremely busy schedule with which music education students must deal. However, the hours are manageable if you exercise excellent time management. In addition, so the experiences are more meaningful and helpful a ‘task’ will be assigned for each field experience, providing you with specific areas of concentration to observe. You will be asked to become part of the class and even work directly with or teach students. Below are some pointers to succeed in gaining your hours, and rules that accompany them.

1. Field experiences are wonderful and fun opportunities to actually be in a setting that is your future. It is a time to work with students and with music and students. You will be exposed to the real workings of a school and see it from the standpoint of being a teacher. This is a great chance to explore your career of choice and learn and reflect about all of its facets. It helps to approach your ‘hours’ with a positive attitude!
2. Each time you attend your setting, fill out and have your log sheet signed by the mentor teacher. At the conclusion of your assignment, gather the signed log sheet, ‘task’ assignment, and proof of your interaction with students and hand them into your college teacher whose class assigned the hours. Please calculate the hours on your log sheet. It is YOUR RESPONSIBILITY to get the paperwork into the proper person, who will then give it to Dr. Casey.
3. Dress up the day you go into schools. Be sure to check into the main office before proceeding to your classroom. Be professional in all manners and represent us well.
4. If for an excused reason you are not able to make it to your assignment, you must call your mentor teacher at the earliest possible time and tell them of your absence. This is the respectful and considerate action to take. We are very thankful for the few music teachers who are always so willing to help us out. Please do not abuse their generous offerings of help, sharing, and expertise.
5. Always be in the classroom to gain knowledge and to help in any way that the teacher asks. Never argue with a teacher about what or how something is being done. However, it is appropriate to ask questions about situations or actions that you are not understanding. Remain considerate and remember that you are there to learn about the many factors that affect a successful classroom.
6. Say thank you each visit and especially at the end of your time. Don’t forget to thank the students, also.

The state of South Carolina requires you to procure 100 hours of field experience time. You cannot graduate without these hours being accomplished. Listed below are the classes and field hours you must gain for each.

In addition, the State requires a background check prior to your first field hours in the freshman year. The Teacher Education department orders all background checks, and they are funded through your lab fees for the Education courses. (You must sign a document that authorizes the background check, and also indicates your responsibility to notify the Teacher Education Department if arrested for any reason past your initial background check. (Note: Depending on the details of an arrest, a student may or may not be allowed to continue in the teacher education program.) A second background check is conducted just before the student teaching semester.

Pointers for Success

Following are a few suggestions that faculty and students want to share with you, for attaining your Music Education degree in the allotted time and with less stress. It is important to enjoy your college experience, but it is also important that you realize, from the start, that you are in a demanding degree program. Consider the following:

1. Attend ALL classes and do all assignments on time. ‘Hang-out’ with other students who are serious about accomplishing their college goals. Become, as a freshman, one of those people that others will want to follow in the future.

2. Take the Praxis I test before your sophomore year and have it done. Ask for a study guide from the education department before taking the test. You may exempt this test with certain scores on the ACT or SAT. Please see the main catalog for this information.

3. Make sure to do your teacher education essay and other paperwork on time.

4. Never miss or get behind in your field experiences or the tasks assigned with them.

5. Actually, write field experience time and practice and study times onto your schedule, and stick with the plan.

6. Join NAfME for both support and professional development. Be sure to attend all music education meetings to stay current with information.

7. Ask upperclassmen for advice in registering for classes and register early to attain the desired classes.

8. Drop by and see Dr. Casey. Don’t let issues fester, and let your faculty help you avoid bigger problems.

JUNIOR/SENIOR RECITAL CHECKLIST

_____ Select your repertoire in collaboration with your applied teacher. In completing the program, be sure to include the full title, all movements, composers’ full names, and dates. Carefully check spelling!

_____ Select date of the recital and recital hearing in coordination with the following people:
   _____ Applied Music Instructor
   _____ Accompanist
   _____ Recital Committee Members
      (The recital committee members must consist of your applied teacher and two additional music faculty.)
   _____ Ensemble members (if applicable)

_____ Recital Hearing – Approximately three (3) weeks prior to the recital (date will be in conjunction with selected recital date).

_____ Submit the following at the hearing:
   _____ Junior/Senior Recital Approval Form and copy of program typed or clearly printed.
   _____ Programs – Submit all program information and program notes/translations (if applicable) to the Administrative Assistant of the Department of Music at the recital hearing. You will be notified when your program is ready for review. Please give the program draft to your applied teacher for proofreading before resubmitting the program that same week to the Music Office for printing. Failure to meet this deadline will result in preparing and copying the program yourself!
   _____ Recital Press Release and Poster – Requires faculty approval.

_____ Obtain signatures of the faculty on the Junior/Senior Recital Approval Form and return the form to the Administrative Assistant of the Department of Music (she will hold it until the recital).

_____ Recording request – Make sure your applied instructor has requested a recording of the recital through the music office.

_____ After the recital, obtain signatures of the faculty on the Junior/Senior Recital Approval Form, and return the form to the Administrative Assistant of the Department of Music.
