POSSIBLE STARTS HERE!

1. Apply for Admission

Gather your materials and submit your application to Newberry College.

2. Complete the FAFSA

Log on to fafsa.gov and complete your free application for federal student aid. Newberry College's school code is 003440. Complete your annual FAFSA as soon as possible between Oct. 1 and June 30 before the academic year for which you are applying. This is the most important step in completing your financial aid request. It is the basis for federal and state financial aid, and most aid is first-come, first-served.

3. Review the Student Aid Report

Once you complete the FAFSA, the Department of Education will mail or email your results and any possible errors that need to be corrected.

4. Submit Your Verification Documents

Once you complete the FAFSA, the Department of Education may select you for verification. If you are selected, we will alert you and inform you of any items we may need.

5. Complete Your Financial Aid Processing Online!

Log in to Wolf Den to finish up your Financial Aid processing. If you have followed these steps, you should have your balance covered by the payment date!
