President's Message

G. David Harpool, J.D., Ph.D.

President

Dear Alumni and Friends of Newberry College,

It is a privilege to share this update on the continued progress and momentum at Newberry College. The past year has been marked by growth across enrollment, academics, student life, and institutional recognition. Highlights include:

Enrollment and Academics

- **Record enrollment:** Newberry College reached a record 1,715 full-time students, including 135 additional traditional on-campus students, 220 commuters, and 225 online/graduate students.
- **Stronger academic profile:** The average GPA for incoming students has risen to 3.85, signaling continued growth in the academic strength of our student body.
- **Improved retention:** Student retention increased by 1.3%, reflecting sustained support and improved student success outcomes.
- **A diverse student community:** Students come to Newberry from 44 states (including Washington, D.C.) and 25 countries. The student body is 50.5% female and 48.7% male.
- **High housing demand:** Housing occupancy reached 104%, including in-town rentals — a clear indicator of strong demand for on-campus living. Plans are underway to add 60 beds by fall 2026.
- **Popular academic programs:** Business, Nursing, Exercise Science, Education, Psychology, and Pre-Veterinarian studies continue to attract high enrollment.

College Recognition

Newberry College has once again been named among the best colleges in the South by *U.S. News & World Report* in its 2025 rankings. The College earned distinction as the highest-ranked private college in South Carolina in its category and was recognized in multiple competitive areas, including:

- Best Regional College in the South
- Best Value Regional College in the South
- Top Performer on Social Mobility (Regional Colleges – South)
- Best College for Veterans (Regional Colleges – South)

Student and Campus Life

- **Nationally recognized teams:** The Speech & Debate Team ranked 6th in the nation in 2025, and as of this writing, the Women's Field Hockey Team is ranked number one in the country and playing in the NCAA Division II National Tournament semifinals.
- **Engaged student community:** Athletics, Speech & Debate, and Marching Band remain the most highly participated student activities.
- **Stadium campaign:** Fundraising for Phase III of the stadium project is ongoing, demonstrating strong commitment to enhancing athletic facilities.

These accomplishments reflect a promising and exciting future for Newberry College.

Financial Support

We continue to raise funds to complete Phase III of the stadium project, expand scholarship opportunities, and strengthen the college endowment. Your generosity plays a direct and vital role in this work. Through your contributions, Newberry College is able to enhance athletic facilities, increase access and affordability for deserving students, and ensure the long-term financial health of the institution.

Simply put, your support makes this progress possible—and your investment in Newberry College continues to shape the lives of our students and the future of our campus.

G. David Harpool, J.D., Ph.D.

President, Newberry College

Great Pride

Bill Nash
Chief Development Officer

This year has been one of both deep loss and great pride in the life of Newberry College.

We mourned the passing of President Dr. Maurice “Morrie” Scherrens, whose steady leadership and unwavering belief in this community transformed our College. Morrie guided Newberry through a period of remarkable growth — in enrollment, facilities, and national reputation — always with a servant’s heart and a student-first vision. We remain profoundly grateful for his leadership and friendship. We also lost Ms. Bobbie Sides. We all felt it. She was a constant here, a listener, an encourager, and a friend.

Even in our sorrow, we have much to celebrate. This year, Newberry College received national recognition for academic excellence, student success, and affordability. Our programs continue to expand in relevance and reach, and our students and faculty distinguish themselves in classrooms, on the field, and in service to others. Newberry College’s impact extends well beyond our campus.

The spirit of Newberry endures. With strong leadership, the college’s commitment to faith, service, and transformational education remains as strong as ever. On behalf of the Institutional Advancement team, thank you for the many contributions that have made an impact to our students. You make the dream possible for our students. Thank you for standing with us — for believing in our mission, our students, and the promise of what’s to come.

Hail Scarlet and the Gray,

A handwritten signature in black ink that reads "Bill Nash". The signature is fluid and cursive, written in a professional style.

Bill Nash
Chief Development Officer

WHY I GIVE

Parkes Coggins '05 grew up wanting to attend Newberry College and play basketball. For him, giving back is a way to say “thank you” to the place that has meant so much to him, and to build up the next generation of student-athletes.

Growing up in Newberry, Newberry College was always a familiar, beloved place for Coggins and his family; after all, he is the son of the Voice of Newberry himself, **Jimmie Coggins '74**. So when he graduated from Newberry High School, it was an easy decision for him to follow in his dad's footsteps and attend Newberry College. He credits the small, family atmosphere for giving him the tools he needed to succeed as a student.

“I always did well in school but always felt like I had to work a little bit harder than everybody else. At Newberry, I always felt like I had access to the teachers and all the help that I needed,” he says.

He tried out for the basketball team and got a spot as a walk-on player, playing on the team throughout his four years at Newberry. Playing under three different head coaches had its challenges, but the experience also gave him an opportunity to learn and develop from different leadership styles and perspectives.

Coggins graduated with a Bachelor of Science in Business Administration, then went on to MUSC in Charleston to earn a Master in Health Administration. He's served in leadership capacities at various health institutions throughout his career but has spent nearly seven years with Spartanburg Regional Healthcare System, where he is now the Vice President of Heart/Vascular and Oncology Services. In his community, he also serves on the boards of the St. Luke's Free Medical Clinic, United Way of the Piedmont and The Charles Lea Center Foundation, demonstrating dedication to strengthening his community through health care and beyond.

Coggins is grateful for his time at Newberry and believes in the importance of investing in his hometown school. As a son, cementing and celebrating his father's legacy with the College and the community holds special importance for him, as he, along with his mother, Doris, and sister, Jessica, contributed to the home and away radio booths in the new press box that will be built at Setzler Field.

“My dad's called over 460 consecutive football games, and I want to ensure that his legacy lives on well after we are all gone. And really, for our family, because my mom's been there too, right behind him,” he says.

As a former student-athlete, he is equally passionate about supporting intercollegiate athletics and building a strong foundation for future generations of student-athletes. He is a member of the Scarlet & Gray Athletics Club and serves on the Athletic Club Board of Advisors.

“Giving back to Newberry is my way of saying ‘thank you’ for not only giving me the education and friendships I made but also building a foundation for my career. I want Newberry College to be better than it was when I was there, and ensure it has the resources necessary to succeed.”

“I just think it's important that we remember where we came from, and remember that things aren't getting any cheaper, and any way we can help with resources, whether it be through scholarships, the Athletic Club, through the endowment, or whatever it is, will benefit everybody at the school for generations to come.”

Scarlet & Gray Athletic Club

The Scarlet & Gray Athletic Club has been the leading auxiliary for Newberry College athletics since 1952. The organization supports student-athlete's scholarships and the welfare of Newberry College through athletic programs.

The loyal support of our members keeps Newberry College on the road to championships all across campus. Our student-athletes deserve your support. Join today by scanning the QR code.

The Scarlet & Gray Athletic Club continues to make strides in supporting the student-athletes of Newberry College.

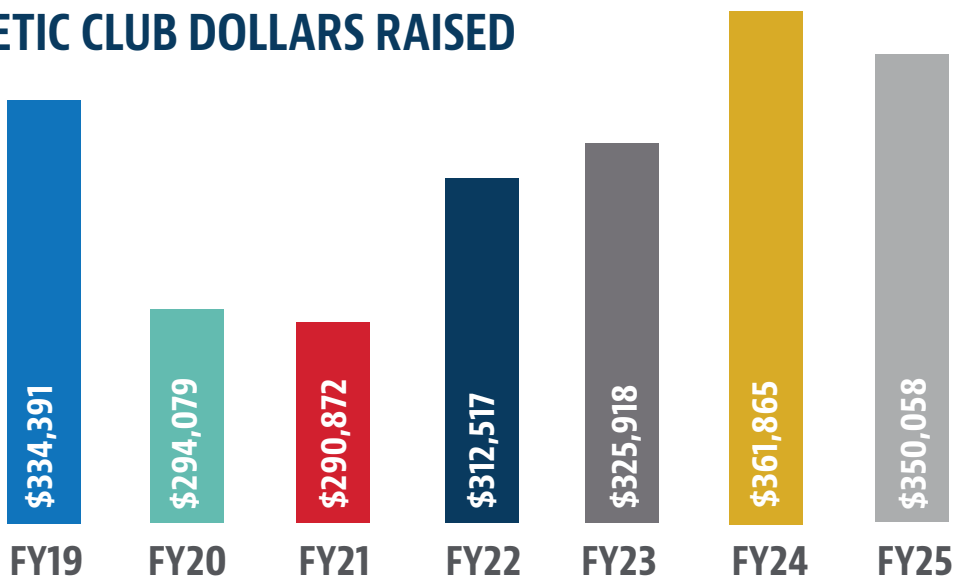

The Scarlet & Gray Club hosted a golf tournament in May that raised a total of \$23,575. The Club also hosted the annual Howling Wolf Night event in April, which raised a total of \$12,122.95

Since taking over the reigns of the Scarlet & Gray Athletic Club, director Sharon Bryant '11 continues to aim high for the student-athletes here at Newberry College. "At Newberry College, we strive to be a family and support each other in every way possible. The student-athletes here work hard on the field and in the classroom and it shows. It is an honor to help with these athletes achieve their goals."

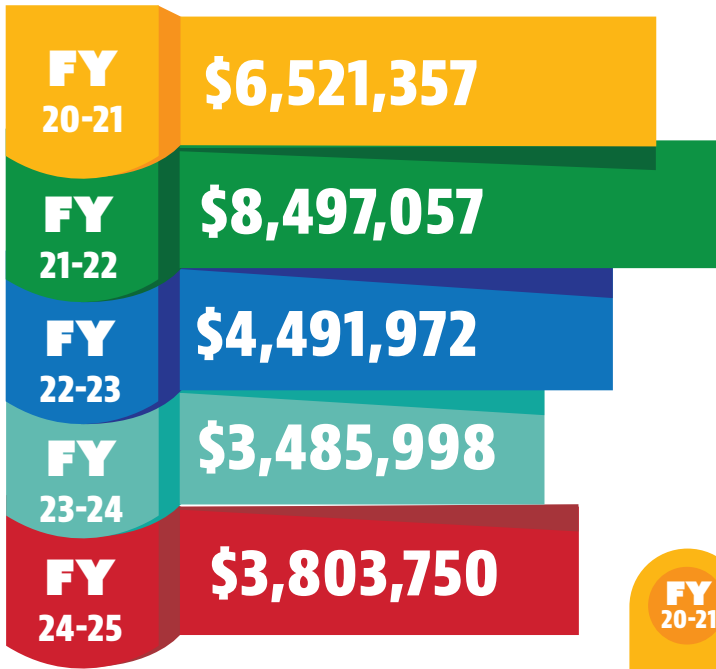

The Scarlet & Gray Athletic Club finished strong yet again this year with \$350,058 raised. In addition, the Club ended the year with 295 members including 38 new members.

The Newberry College Heritage Society

Everyone has something they are passionate about. You may be passionate about a place that holds an important spot in your heart, a cause that's near and dear to you, or a charitable organization that you support. For many, Newberry College is all three and more. But did you know that your support can continue after your lifetime, and that you can receive tax benefits for it?

It can — with a planned gift.

Popular Planned Gifts

INCLUDE A GIFT TO NEWBERRY COLLEGE IN YOUR WILL OR LIVING TRUST.

Your benefits: Retain control of your assets and have the flexibility to change your mind at any time.

NAME NEWBERRY COLLEGE THE BENEFICIARY OF YOUR RETIREMENT ACCOUNT.

Your benefits: These assets pass to the College tax-free, allowing us to use the entire amount to support our mission.

TRANSFER APPRECIATED STOCK TO NEWBERRY COLLEGE.

Your benefits: You qualify for a federal income tax charitable deduction based on the current fair market value of the securities, and you are exempt from paying capital gains tax on any increase in their value.

CREATE A LIFE INCOME GIFT.

Your benefits: Depending on the type of gift you choose, you can receive stable income for life or for a period of up to 20 years. You may also qualify for a federal income tax charitable deduction in the year you make the gift.

WHY I GIVE

Newberry College's roots run deep for Marilyn Boone Kimbrell '78. The daughter of two alumni, her parents instilled a strong spirit of generosity and pride in their alma mater.

Kimbrell's parents, **Gaines "G.O." Boone '48** and **Elizabeth Rice Boone '45**, met and fell in love at Newberry College following World War II. They both felt strongly about giving back to their alma mater and creating greater opportunities for future generations of students.

"My mother and daddy, they just lived and breathed Newberry College. They fundraised for them for so many things. My daddy didn't have a lot of money, but he did raise a lot of money for the College. He started scholarships in honor of several well-loved Newberry individuals. I can't tell you who all they are, but I do know that some were started because of his efforts, and then the efforts of all the people who loved those people, they built on that," she says.

The Boones passed on that love of Newberry College to their daughter, who majored in music and then went on to Furman University to earn a Master of Arts in Music Education. She spent 27 years as an elementary school music educator, and credits Newberry College for giving her a strong foundation to succeed.

"I think anybody who goes into teaching feels like they're overwhelmed when they get there to start with, because there's so much to do. But I felt like I had a good music background and all that worked out well, so I was as prepared as I could be to start my career."

When her father retired, Kimbrell and her brother, **Andy Boone '75**, wanted a way to honor their parents and

demonstrate their family's love for their alma mater. They decided to set up a scholarship fund in their parents' names as a retirement gift. Friends and family attending their father's retirement party donated to the scholarship fund instead of giving gifts.

"For holidays and birthdays, my parents received Christmas presents, but we always donated to help build their scholarship fund, and Mother and Daddy did, too! That's how we used the seed money to get us started, and then we just continued to build on it," she says.

The G.O. and Betty Boone Alumni Legacy Scholarship Fund has not only been a perfect way to honor the Boones' legacy; it's a way to show appreciation for a place that has meant so much to Kimbrell and her family and to make the cost of education more affordable for the scholarship recipients.

"Education is extremely expensive, and any money students can receive to help offset the cost is wonderful, because you don't want to come out of college with a large debt that you'll never pay off. So, I feel it's very important that we have scholarships and things like that to offer to the students.

My parents were very generous. They instilled in me that it's important to give back, and I like to try to do that."

TOGETHER WE MAKE A DIFFERENCE

A gift to Newberry College is an investment in the future of our students and our campus, providing opportunities to learn, grow, and flourish. Each gift, no matter the size, makes an immediate, positive impact. Together, we can do amazing things!

GIFT OF STOCKS, BONDS OR OTHER SECURITIES

803.321.5694

Gifts of appreciated stocks, bonds or other securities allow you to make a substantial gift to Newberry College at minimal cost. You will receive a tax deduction based on the value of the security on the date of the gift. With long-term appreciated securities (those held longer than 12 months), you will receive a charitable income tax deduction for the full fair-market value of your gift and avoid paying capital gains tax on the appreciation. Once given to the College, we will sell for the benefits.

MATCHING GIFTS

Make your gift go even further! Many companies participate in gift matching programs. Some companies will even match gifts made by retirees and spouses of employees. You can double or even triple your gift to Newberry College if your company participates in a matching gift program. To see if your company has a gift matching program, please contact your human resources department.

ESTATE AND OTHER PLANNED GIFTS

By including Newberry College in your will or making other planned gifts, you can provide for yourself and your loved ones, plan wisely for your future, and make

a meaningful gift to Newberry. Planned gifts enable you to preserve your assets during your lifetime and leave a valuable legacy at Newberry. Donors who make estate and other planned gifts are recognized as members of The Heritage Society, the College's planned giving society.

GIFTS OF REAL ESTATE

Gifts of real estate are an excellent way to make a difference in the lives of Newberry College students and lower your tax liability at the same time. Gifts of property or a percentage of property may help you avoid paying capital gains tax, lower your current income tax and reduce your future federal estate taxes. Real estate gifts may increase your income if they are structured through a life income gift. You may also deed property, including vacation homes, to Newberry while retaining the lifetime right to occupy the property. Gifts of real estate must meet certain criteria and be approved by Newberry College's Board of Trustees.

INSURANCE

803.321.5694

A new or old insurance policy may be an appropriate way to make a gift to Newberry College for future endowment priorities. Gifts of insurance will not be accepted for capital or current programming needs; only permanent life insurance policies, i.e., whole life or universal life, are accepted as gifts. You can fund a new policy naming Newberry College as beneficiary, or you can name Newberry College as beneficiary of an existing policy. For each policy, provisions must be made to cover future premium payments. If you transfer ownership of the policy to Newberry College, all future premium payments are tax-deductible. Newberry College will only undertake the responsibility of making premium payments if the donor makes gifts to the College equal to the payments. If such gifts cease, the College will convert the policy to its cash value.

As with any financial decision, you should consult your CPA, attorney and other financial advisors.
