I am an Army Cadet, soon I will take an oath to become an Army officer. Committed to defending the values which make this nation great. Honor is my Touchstone. I understand mission first and people always.

I am the past, the spirit of those warriors who have made the final sacrifice.

I am the present, the scholar and apprentice soldier enhancing my skills in the science of warfare and the art of leadership. But above all I am the future warrior leader of the United States Army. May God give me the compassion and judgment to lead and the Gallantry in battle to win.

I WILL DO MY DUTY.
