Dear Music Students,

Welcome back to our returning students and a special welcome to our new music majors. On behalf of the music faculty and staff, we are glad that you are with us and we will do our best to enhance your musical and educational experiences at Newberry College.

Please read this Music Student Handbook and keep it nearby as it has very important information that will assist you throughout your music programs. It includes, but is not limited to, information on the following:

- Department policies and procedures
- Our various majors and minors
- Advising assistance
- Ensembles
- Juries and Sophomore Barrier
- Recitals

There is also a section with important forms. All in all, this handbook, along with the faculty and staff, is designed to help guide you toward degree completion and into your careers that follow.

We are glad that you are here, and we look forward to being a part of your musical experience at Newberry College.

Musically Yours,

Chris Sheppard

Music (MUS) (MUA) (MUE)
Department of Music
Dr. Chris Sheppard, Department Chair
Music Faculty:
Professors: Barry McGinnis
Associate Professors: Jerry Gatch, Chris Sheppard
Assistant Professors: Patrick Casey, Sarah Masterson, John Roberts
Staff: Wanda Neese, David Santiago
Adjunct Faculty: Austin Gaboriau, Reed Hanna, Chris Imhoff, Ying Liao, Andrew Lynn,
Ruth McDaniel, Albert Roberts, Matthew Smith, Lauren Watkins
Accompanist: Alice Ramirez
Administrative Assistant: Debbie Jarman

Mission Statement of the Department of Music
The Newberry College Department of Music, through a supportive student-oriented community, provides a comprehensive musical foundation from which students may pursue an ongoing involvement with music. The faculty and staff encourage the development of musicianship, creativity, critical thinking, leadership, and personal growth through instruction, performance, scholarship, and service. The Department of Music is dedicated to the aesthetic value of the musical arts and strives to ensure that Newberry College students remain passionate, lifelong advocates of music.

Goals of the Department of Music (Program Learning Outcomes)
- Demonstrate competency and improvement in music performance
- Attain content knowledge of music theory, music history, music literature, music technology, and music pedagogy appropriate for individual degree programs
- Demonstrate growth of written and aural communication skills using appropriate musical terminology
- Develop skills of critical thinking
- Develop an awareness of musical diversity as human expression

Music department graduates are prepared to participate and lead in a variety of levels in the field of music. Newberry music graduates include outstanding professional performers and choral and instrumental music educators who are leading excellent school music programs throughout the Southeast. Newberry music alumni have received graduate degrees in programs throughout the United States. Music Department graduates have also had successful careers in the music industry.

The Department of Music at Newberry College is accredited by the National Association of Schools of Music (NASM).

DESCRIPTION OF MUSIC FACILITIES

General Rules and Regulations

The Alumni Music Center Building is an excellent facility which must be maintained by all who use it. Eating and drinking are allowed only at the tables provided in the lobby on the first floor of the AMC. Smoking is not allowed in the Alumni Music Center. We want our students to feel comfortable and at ease in our building therefore, we will not tolerate abusive language, obscenity, or other offensive behavior. Please show respect for yourself and others and refrain from such behavior.

Recital Hall

The West Memorial Recital Hall is an auditorium with a seating capacity of approximately 150, located in the Alumni Music Center. All scheduling of this hall should be done through the Administrative Assistant to the Department of Music. No smoking, eating, or drinking is allowed in the Recital Hall.

When attending performances and lectures, as a courtesy to the performer/speaker and to others in attendance, please be aware that sounds such as whispering and the rustling of programs and cellophane wrappers are magnified inside the recital hall. Please turn off all watch alarms, cell phones and other electronic devices.

Music Office

The Department of Music Office is located in Room 100 (to the right as you enter through the front doors). A copier is located in the Music Office. It may be used for music-related copying projects; however, you will need your student ID to access the copier and a charge will be assessed to your account for all copies. You may contact the Music Administrative Assistant for help in making copies.

Practice Rooms

Practice rooms are located on the second floor of the Alumni Music Center. There is to be no eating, smoking or drinking in any of these rooms.

Music Technology Classroom

The Music Technology Classroom is located on the second floor in room 221. Although primarily used as a classroom, it is also available for student use during posted hours. Music students using the Music Technology Classroom must sign in and out and respect the facility rules enforced by the student proctor. There is to be absolutely no eating, drinking or smoking in the Music Technology Classroom.

Lobby (Public Area)

The Music building lobby many times serves as a gathering place for music students, but it should be remembered that this is also the first area of our building that is seen by the general public when they visit our facility. Please make sure that you do not leave trash, books, clothing, etc. scattered about in the lobby. Also, the furniture in the lobby is provided to create a comfortable gathering place for students and visitors. Therefore, to insure the durability and usefulness of the furniture, there is to be no sleeping or sprawling on the sofas. In addition, meals should only be consumed at the round black tables in the lobby!

Bulletin Boards

Music students should check the bulletin board located at the back of the lobby for important announcements from the Music Department. Bulletin boards are located throughout the Music Building, and each of them contains postings which are important to our students, but the board in the lobby will contain the most time-critical announcements and it should be checked daily.

Resource Center

This facility is open at certain hours during the week; a schedule will be posted on the resource center door each semester when hours of operation have been established for that semester. Some materials are available for check out; others are for use only within the confines of the Resource Center. Lost or damaged items will be charged to the student involved. Grades will be withheld from any student who has not paid for damaged materials. Additional music books, scores, and recordings are available through Wessels Library on the Newberry College campus.

Ensemble Libraries

A student may check out a score or a part from these libraries with the permission of the faculty member in charge. The regulations and penalties for check-out and return of these items are the same as those governing the materials in the Newberry College Library.

Instrumental Storage

The Instrumental Storage Room, for school owned instruments only, is located behind the Band Rehearsal Room. Storage lockers for privately-owned instruments are located on the second floor. See the Administrative Assistant to obtain a locker and combination lock. Students owning their own instruments are encouraged to insure them as a security measure. Newberry College is not responsible for privately-owned instruments.
ADMISSION

Auditions

Audition requirements: Students must be prepared to perform two pieces of your own choosing in contrasting styles. If the student would like to be accompanied, please notify the Music Department at (803) 321-5633 or 5176 at least one week in advance of your audition date, and bring along an original copy of the accompaniment (not a photocopy). Instrumentalists will be asked to play several scales. The audition will also include a short section of sight-reading and tonal memory, diagnostic music knowledge test (for placement purposes only), and an informal interview with the music faculty and Department Chair.

Please note that in addition to determining admittance, this audition also determines a student’s eligibility for a music department scholarship.

Admission to the Department of Music is chiefly determined by an audition before the Music Faculty. Currently students are allowed to pursue their degree of choice; however, if it is determined by a consensus of the music faculty that the student will not succeed in a particular degree program, the department chair will discuss alternatives with the student. In some cases, CDs may be accepted for the audition. All other requirements for admission to Newberry College, as described in the college catalog, must be met.

Financial Aid

There are many types of financial aid available to students at Newberry College including the PELL Grant, South Carolina Tuition Grant (for residents of South Carolina), Perkins Student Loans, Stafford Student Loans, and various college scholarships. Information concerning all of these sources and others may be secured from the office of Financial Aid, located in the Welcome Center.

ALL STUDENTS MUST RE-APPLY EACH YEAR FOR ANY TYPE OF FINANCIAL AID

Since many of these funds are available on a first-come first-served basis, it is extremely important that all financial papers and forms be filed as soon after the first of January as possible. The necessary forms include the Free Application for Federal Student Aid (FAFSA) form to the College Scholarship Service, the Newberry College Financial Student Aid Application, and for South Carolina residents, the South Carolina Tuition Grant Application.

The Department of Music offers music scholarships to deserving students. All music majors are required to participate in a major music ensemble each semester; students receiving scholarships may have additional performance requirements. Music scholarships for returning music majors are re-evaluated each spring by the music faculty on the basis of the student’s musical performance and progress, contribution to ensembles, and academic progress.

Outstanding music students are honored each year by being chosen for special endowed music scholarships. Recipients are selected by the Music Faculty. See the college catalog for a list of these scholarships.

REGISTRATION

Advisors

Upon entering the Department of Music, each student is assigned a faculty advisor. It is the function of the faculty advisor to aid the student in planning his coursework in proper sequence and to offer general help and counsel where needed or requested. Each student is urged to maintain contact with his/her advisor and to bring to the advisor any problems with which the advisor might be of assistance. Ultimately, it is the student’s (not the advisor’s) responsibility to select the courses in a manner leading to graduation. (See “Sequence of Courses Not Offered Every Year,” p. 29 in this handbook.)

On-line Registration Process

Registration is held at the end of each term for the next term. Opening of on-line registration is announced via e-mail to students. Students should immediately contact their faculty advisor for an appointment. The student should then prepare a proposed course load for the next semester to be approved by their advisor during their meeting. Students may register for the proposed courses online or this may be done during their meeting with their advisor. When course work for the next semester has been determined by the student and his/her advisor, the advisor will then submit final approval of the student schedule to the registrar via the online registration website. Until the advisor has finalized the student schedule and submitted it via the online registration site, the student is NOT officially registered for courses for the next semester.

Bachelor of Music Education students should always complete registration as early as possible to avoid scheduling problems that may develop due to the program’s tight schedule.

Private lessons will be scheduled individually with the instructor during the first week of classes. Students should make every attempt to contact the instructor during the first week of school. (You will need to have a copy of your schedule to give to your instructor.)

The normal course load is 15-18 hours, but a student with a cumulative grade-point average (GPA) of 3.0 or higher may register for a maximum of 21 credit hours each semester. Course loads in excess of 18 hours must be approved by the Academic Dean and will carry an additional charge per credit hour. Music Education majors, in good standing (who are meeting minimum course and GPA requirements), are allowed to pursue additional credit hours up to 21 per semester, for 8 semesters, without incurring an additional charge per credit hour.
Applied Music Fees

Music fees for a semester are as follows:

Private lessons in: **Piano, Organ, Voice, Guitar, Bass, Band and Orchestral Instruments**:

- One lesson per week (30 minutes): $200.00 for 1 Credit Hour per semester
- Two lessons per week (2 - 30 minutes or 1 hr.): $400.00 for 2 Credit Hours per semester

** Bachelor of Music students taking more than two hours credit in Applied Music courses (MUA courses) will be charged for a maximum of two hours.

Class Instruction:

Brass, Woodwind, Percussion, Guitar, Strings, or Piano Class $100.00 per class per semester

Small Ensembles

Admission to any college ensemble is by audition and permission of the Director. Major college ensembles that give degree credit include the Newberry College Singers, Wind Ensemble, and Symphonic Band. All music majors are required to participate in one of these ensembles each semester. In addition, all music majors are required to experience a Chamber Ensemble at some point before graduation. Each year, Instrumental Performance majors must participate in a Chamber Ensemble in the Fall semester. Other ensembles include:

- Madrigals
- Jazz Big Band
- Jazz Combo
- Chamber Orchestra
- Opera Workshop
- Brass Ensemble
- Guitar Ensemble
- Percussion Ensemble
- Piano Ensemble
- Woodwind Ensembles (Clarinet Ensemble, Flute Ensemble, Saxophone Ensemble, Woodwind Quintet)

All of these ensembles have an option of zero or one credit. Note that students who choose “zero credit” will still receive a grade for the ensemble on their transcript.

Interested persons should contact the directors of the respective ensembles regarding auditions and other ensemble requirements. Attendance at all rehearsals and performances is mandatory. Absence from any performance or dress rehearsal without proper notification and extreme circumstances may result in expulsion from the ensemble or other appropriate disciplinary action. Excessive absences from rehearsal will result in similar disciplinary action.

Ensembles Requirements

The following are the ensemble requirements for all music majors regarding their major/large ensembles.

- **VOICE, PIANO*, GUITAR* Majors:**
  - Must be enrolled every semester in Newberry Singers
  - MUS ED majors are exempt during semester of Student Teaching

- **WOODWIND, BRASS, PERCUSSION Majors:**
  - Must be enrolled every semester in Wind Ensemble
  - MUS ED majors are exempt during semester of Student Teaching

- **DOUBLE BASS Majors:**
  - Must be enrolled every semester in either Wind Ensemble or Chamber Orchestra
  - MUS ED majors are exempt during semester of Student Teaching

*Piano and Guitar majors can choose either Newberry Singers OR Wind Ensemble to be their major/large ensemble.
ACADEMIC REGULATIONS/REQUIREMENTS

Scholastic Regulations: (See THE 2017 - 2018 NEWBERRY COLLEGE CATALOG)

Academic Probation: (See THE 2017 - 2018 NEWBERRY COLLEGE CATALOG)

Academic Dishonesty: All suspected cases of cheating or plagiarism will be reported to the Office of Academic Affairs and the Academic Appeals Committee. Students found guilty are subject to suspension from the College.

Fine Arts and Lectures Requirements (FAL): All students must attend an average of three (3) events per semester from the “Fine Arts and Lectures” series in order to qualify for graduation. Students transferring into Newberry College or who are enrolled in Dual Degree programs with other colleges or institutions are required an average of three (3) events for each semester of full-time enrollment at Newberry College. The maximum number of events students are required to attend is 24.

Practice Requirements: Every course in Applied Music carries a stipulated minimum number of hours of practice each day. It is the student’s individual responsibility to maintain regular daily practice. Practice time will affect the grade for private lessons.

Final Jury Exams
Music majors must take a jury exam each semester in their major performing area. The jury exam involves performing repertoire and scales (instrumentalists only) for the Music Faculty (Jury). Exemption from the jury exam may be granted at the discretion of the student’s applied music teacher if the student has completed a recital during the semester to be exempted. Failure to appear for a jury will result in a grade of “F” for the semester.

Final jury exams are generally held on Reading Day each semester. The schedule will be posted outside the Music Office approximately 1 week prior to the date of the juries. These schedules are arranged according to the performing area and special attention should be paid to your appointment time. Students should plan to arrive at least 30 minutes prior to their appointment time to insure adherence to the allotted times for their performing area. Jury sheets may be obtained from the music office.

Music majors taking secondary piano for credit will also need to take a final jury exam each semester which will be heard by members of the keyboard faculty. These juries are scheduled at the end of the semester on different days from the major juries.

Applied Music Standards
Only music majors who have been admitted to the Bachelor of Music program can take an applied music course for more than two hours during each semester. A syllabus specifying the requirements of an applied music course may be obtained from the student’s applied music teacher.

PIANO PROFICIENCY

Functional Piano Proficiency
This proficiency requirement is satisfied by an examination which students must attempt to pass by the end of the sophomore year. It is highly recommended that students pass the exam at this time. The usual preparation for this exam includes:

- Freshman Year: MUA 101 (2 hrs.) MUA 102 (1 hr.)
- Sophomore Year: MUA 121 (1 hr.) MUA 122 (1 hr.)
- Junior Year: Continued piano study if student has not passed Piano Proficiency Exam (PPE)

The Piano Proficiency encompasses the following skills:

All Music Majors:
- Sight-read simple homophonic music
- Harmonize a simple melody with I, IV, and V in the normal inversions
- Prepare a melody that has chord symbols provided (G, D7, etc.) which the student will receive in advance
All pieces in the following categories are prepared in advance and must be approved by the student’s keyboard instructor:

**Vocalists**
- Play a vocal accompaniment of their choice
- Be able to play all parts individually and any combination of two parts in a given choral score

**Instrumentalists**
- Play an instrumental accompaniment of their choice
- Be able to transpose and play one line at a time in a given instrumental score

**Pianists/Organists**
- Play a choral piece from open score, all four voices at a time, as well as any combination of two voices
- Play a vocal or instrumental accompaniment

**NOTE:** Sight-reading for keyboard majors will consist of a hymn. Also, they will be expected to play a simple accompaniment pattern (broken chords, Albert bass, etc.) with their melodic harmonization rather than block chords.

All Music Majors must pass this exam. All students who have not passed the piano proficiency must continue to enroll in Applied Piano. Music Education Majors who have not passed the exam will not be recommended for Student Teaching. A student may take the exam twice within the semester; if he/she does not pass it in that semester, he/she must take the exam again. The Piano Proficiency exam will be offered twice during the academic year (November 18, 2017 and April 14, 2018). This exam must be attempted by the end of the sophomore year.

**RECITALS**

**Recital Requirements:**
A student must be studying applied music with a member of the Newberry College faculty in the area or areas in which he or she will be presenting a recital during the semester in which he or she presents the recital. Regardless of degree program, applied lessons must be taken until the successful completion of the recital.

All recitals should be scheduled by the students through the Administrative Assistant during the first three weeks of the school year.

**Note:** These performances are subject to approval/cancellation by the Music faculty during the Recital Hearing process.

**Recital Hearing**

At least three (3) weeks before the scheduled date of a recital, the student must perform the recital for the Music faculty. Following the hearing the Faculty will make a decision concerning approval of the recital. If the recital is approved, it will be presented as scheduled. If a student fails the first hearing, he or she may schedule another hearing (and another recital date) during the same semester, or later.

If a student fails the second hearing, a final hearing (and recital) must be scheduled at least one semester later. Failure of the third recital hearing will result in the student’s expulsion from that degree program.

All students giving recitals must register for the appropriate recital number and must register for Applied Music in the appropriate area during the semester in which the recital is given. Recitals are graded on a Pass/Fail basis.
Programs

Since learning to prepare recital/concert programs is a valuable part of any professional musician’s training, the Newberry College music student is required to prepare his/her recital program following these procedures and guidelines. The recital draft must be typed and all words/names, etc. must be correctly spelled with any diacritical marks added. Personal notes may be included in the programs but they should be placed on a separate sheet and included as an insert page of the formal program. The program should then be submitted for approval to the applied teacher in charge by the date of the recital hearing. When the Recital Hearing process has been successfully completed, the student may then submit the recital draft (with corrections noted) to the Department of Music Administrative Assistant for completion.

All programs should be submitted to the Administrative Assistant of the Department of Music at least two (2) weeks prior to the recital date. Any program received after the two-week deadline may be refused by the department administrative assistant and will then be the responsibility of the student to complete. The Department of Music furnishes basic programs for student recitals. Students wishing more elaborate programs must bear the expense personally and receive approval from the department chairperson by the time of their hearing. In addition, students preparing their own programs must submit two (2) copies to the Administrative Assistant of the Department of Music for departmental records.

Receptions

Receptions after student recitals are not provided by the Music Department. If a student wishes to have a reception, he/she must arrange for it and pay for the expenses personally. In a joint recital situation, the reception must not be held until the completion of the second recital.

Recital Attendance Dress Code

Students attending evening recitals, convocations, and other similar events must wear appropriate attire. FAL dress code should be followed.

Extra-Curricular Musical Performances

These performances should not interfere with the student’s academic work and must be approved in advance by the student’s applied music instructor.

Repertory Seminar (MUS 100)

Repertory Seminar is a course designed to acquaint music students with literature for various media through live performance by requiring attendance at recitals, concerts, and repertory classes on Tuesday mornings. Students also develop their ability to evaluate musical performances by writing self and peer critiques of performances from Repertory Seminar classes. All music majors are required to complete eight (8) semesters of Rep class (7 for Music Education majors) and three (3) peer critiques per semester to meet their degree requirements. The course does not carry academic credit since it is a “0” credit course, but there is a new letter grade system for this course (see course syllabus).

The number of absences allowed each semester may vary and will be announced by the Department Chair at the beginning of the semester with four (4) being this usual number of absences allowed to pass this course. A list of required events will be distributed in class and additional required programs may be added later during each term. Attendance is taken at all Tuesday rep classes and recital/concert events with a sign-in sheet (honor system). The student must sign an Attendance Sheet for all Rep required events in order to receive credit for Repertory Seminar attendance. Failure to comply with this requirement any semester will result in the grade of “F” for MUS 100 for that semester.

Performance Requirements

Every music major and minor is required to perform at least once each semester in which they are registered for Repertory Seminar. Students will be expected to complete a self-evaluation after each of their performances in Repertory Seminar Class. Some studios have additional performance requirements; students should check their lesson syllabus for specific Repertory Seminar requirements in their area.

Procedure for Performing on Repertory Seminar:

1. Student must have teacher approval to perform on Repertory Seminar.
2. You must get Repertory Seminar forms FROM YOUR TEACHER and fill them out WITH your teacher. Your teacher MUST SIGN THE FORM in order for you to be included in the program.
3. Repertory Seminar forms must be filled out legibly and correctly, with all information included.
4. RS forms must be returned to the Music Department office by NOON on the Monday before you intend to perform.
5. Students handing in forms late may have to wait and perform on the next week’s Repertory Class.

Performing on Repertory Class

Performing on Repertory Seminar is done with the consent of the appropriate applied music teacher and requires their signature on the form. Forms for performing on Repertory class are located in the professor’s office or on the bookshelf in the first floor hallway and must be submitted 24 hours prior (Monday by Noon) to the Repertory Class on which the student will perform. Forms must be given to the music Administrative Assistant or put under the office door by this time. The dress code for performing on Repertory Class is the same as the recital dress code.
Degree Requirements

A. Bachelor of Arts in Music (B.A. Degree) Requirements

1. Core Curriculum .............................................................. (71-72 hours)
   Candidates for the Bachelor of Arts in Music degree are required to complete the 2014 Core Curriculum. In addition to completing these requirements, the Liberal Arts candidates choose general electives to equal a total of at least 126 hours.

2. Music Courses ................................................................. (52-70 hours)
   a. Bachelor of Arts in Music (General) (Appendix – Pg. 39)
      The Bachelor of Arts in Music degree is appropriate for the student who has a high interest in music, wants to learn more theoretical and historical aspects about music, and wants to continue and improve in performance. This degree offers the possibilities of minoring or double majoring in another area of interest and of taking a wide variety of general core electives. The purpose of the degree does not necessarily promote vocation in a music field after graduation, but promotes a lifelong advocacy and enjoyment of the art. The degree is completed in four years.
      
      Applied lessons must be taken until the successful completion of MUS 380.

C. Bachelor of Music Education Degree (B.M.E.)

The Bachelor of Music Education degree (B.M.E.), in cooperation with the Newberry College Department of Teacher Education, leads to South Carolina PK-12 licensure and is designed for those students aspiring to the challenging and essential service of teaching music in the public school sector. Students become well-rounded life-long learners, musicians, and teachers of music through a rigorous curriculum including courses in areas of general studies, musicianship, and professional and music education. Candidates choose a concentration of choral or instrumental music, but upon graduation are prepared and qualified to teach any music subject and level. Successful graduates will possess the knowledge, skills, and dispositions to provide confident, enthusiastic, and committed leadership in the field of teaching music. The BME can be completed in four years, although some choose to extend it.

Bachelor of Music Education Requirements

The Music Education program works closely with the Department of Teacher Education, sharing many goals, conceptual frameworks, and disposition requirements for students. The Bachelor of Music Education provides licensure for teaching pre-kindergarten through high school. Students choose either choral or instrumental music as a concentration, but will be prepared to teach in all areas and grade levels.

Music Education Examinations and Fees

All teacher candidates are required by the State of South Carolina State Department of Education to pass Praxis I Reading, Writing, and Mathematics tests in order to be accepted into a Teacher Education program. This test may be exempted for students who scored at least 24 on the ACT, 1100 on the 2-part SAT, or 1650 on the 3-part SAT. If one wishes to exempt the test, the student must provide proof of scores from the Office of Enrollment Management (to the Department of Music) their freshman year. If the test has been failed three times, it is suggested that the candidate discuss the possibilities of a change of major with their advisor and music education professor. Please be aware that delays in taking this test and/or providing the required admission essay (due to the Department of Teacher Education the sophomore year) could add one or more semesters in the planned program and graduation.

Over the course of acquiring initial licensure to teach, the average candidate must pay $1000 in ETS testing fees, state registration fees, and general program fees. The Department of Music in conjunction with the Department of Teacher Education will institute a fee schedule beginning in Fall 2014 to cover these outside expenses. The courses required by the music education major which will each incur a $100 fee include: EDU 224, 230, 232, 455, 480, 483 and MUS 102, 281, 381, and 471 or 472. The Praxis I Test will be taken during EDU 230 and the PLT/Praxis II will be taken prior to student teaching or as determined by the Department of Teacher Education. These fees will only cover the first attempt for these tests. If further attempts are necessary they must be paid by the candidate. **If a class or the program is dropped, no fees will be reimbursed.** Two TB tests during the tenure will be paid by the candidate, and are necessary before one is allowed into the public school sector to attain field experience hours. Please contact the Department of Teacher Education if a comprehensive breakdown of the fees is desired.

Music Education Program Requirements

The B.M.E. degree requires 143-146 hours of course work in four areas: Core Curriculum Requirements, Music Requirements, Concentration Requirements, and Education Requirements.

Candidates should take EDU 224 during fall semester of their freshman year. MUS 102 and EDU 230 should be taken the spring semester of the freshman year. EDU 232 is taken during the sophomore year, as well as MUS 281. EDU 224 and MUS 102 are prerequisites for all other education classes, and all of the above should be taken before the conclusion of the sophomore year and the sophomore barrier. Additional required education courses include: MUS 381, MUS 471 or 472, EDU 455, EDU 480, and EDU 483. Schedules for transfer students will be considered on an individual basis. All candidates must pass or exempt Praxis I reading, writing, and mathematics tests and apply for and be admitted into the Teacher Education Program before taking MUS 381 or 471/472. Please see requirements for admission in the Teacher Education section of the Newberry College Catalog, 2016-2017.

The B.M.E. degree requirements include all courses required for PK-12 teacher certification in the State of South Carolina as well as an accumulation of 100 hours of field experience.

A grade of a "C" or above must be made in all education-related classes, and an overall grade average of 2.75 or higher, as determined by the state of South Carolina, must be maintained. The music education student must give evidence of positive dispositions, commensurate with being a future public school teacher.

Regulations, performance standards and additional requirements for each degree, major, and minor are listed in the Music Department Handbook.
Minor Requirements
Students may minor in Jazz Studies, Music or Musical Theatre

Jazz Studies Minor (18 hours)
The Jazz Studies minor is designed to be taken by students currently enrolled as music majors. Non-majors may also enroll in this minor with the permission of the Department of Music. Some of the courses required for the Jazz Studies minor may have prerequisites that will require additional course work for non-majors. The Jazz Studies minor will require 18 semester hours in addition to those already required for a music major. The Jazz Studies minor requires 18 hours as follows:

- History of Jazz (MUS 311) ................................................................. 3
- Jazz Theory and Arranging (MUS 312) .................................................. 3
- Improvisation I (MUS 331) .................................................................. 2

Music Performance Honors Program

Purposes
The Music Performance Honors program will serve the following purposes.

- Recognize outstanding student musicians following a music degree other than the Bachelor of Music in Performance, but who perform at the level of the BM in performance student and wish to complete additional performance requirements.
- Prepare music majors who are not pursuing a Bachelor of Music in Performance to audition for graduate degree programs in Music Performance, if they wish to do so.
- It will include additional performance requirements, but no additional academic coursework. When combined with a Bachelor of Art’s degree or a Bachelor of Music Education degree, the increased amount of credit hours is minimal.
- “Music Performance Honors” will be posted on student’s transcript.

Requirements

- 24 credits of private lessons
- MUA 380 (half-hour recital – 1 credit)
- MUA 480 (hour recital – 2 credits)
- 4 semesters of chamber music on the student’s major instrument (1 credit each)

Admission Criteria

- Students are admitted to this program following the Sophomore Barrier Exam.
- Students must earn an average of 80 points on the Sophomore Barrier Performance Evaluation Rubric in order to begin the program.
- Students must meet the same performance standards as a Bachelor of Music in Performance student.

PRIVATE LESSON AND CLASS FEES

Music fees for a semester or a summer session are as follows:

| Private lessons in Piano, Organ, Voice, Guitar, Bass, Band & Orchestral Instruments | $200 Each Credit Hour |
| Instrument Class (Brass, Woodwinds, Strings, or Percussion) | $100 |
| Piano Class | $100 |

Bachelor of Music students taking more than two hours credit in private lessons will be charged for a maximum of two hours.

Courses requiring a fee are designated by the following symbols in the course descriptions:

† Private Lesson Fee ‡ Class Fee

MUSICIANS’ HEALTH

The Department of Music will be hosting a number of “Musicians’ Health” seminars throughout the academic year to promote awareness for the importance of hearing, vocal, musculoskeletal health, and injury prevention for all students, faculty, and staff. Professional health specialists will continue to be invited to offer presentations and advice on musicians’ health issues and how to maintain personal health during one’s student and professional career.

TECHNOLOGY REQUIREMENTS

To meet Program Learning Outcomes for the academic year and to provide access to technology, music students will be required to use a laptop computer or tablet with wireless network capability meeting or exceeding the recommended requirements specified under the Technology Tab in Wolf Den. Such laptops must have the basic software functionality of Microsoft Word, PowerPoint, and Excel, available free of charge in Windows 365, accessed through the Technology Tab in Wolf Den. Additional music programs are available in the Music Computer Lab.
SOHOMORE BARRIER EXAM

Upon completion of the second semester of the Sophomore Level as a music major, the student is reviewed and evaluated by the music faculty to determine eligibility for Junior Standing as a music major. In order to pass, students must meet these requirements:

1. Music majors must have a minimum 2.75 GPA in their music classes. This will be reviewed with their advisor.

2. Students wishing to pursue a Bachelor of Music in Performance degree will be evaluated for entrance into that program pending results of their Sophomore Barrier. A rubric score of at least 80 will be required for students entering the B.M. in Performance degree program. Students wishing to pursue the B.M. in Performance will follow the Bachelor of Arts degree curriculum until they have successfully passed the Sophomore Barrier requirements.

3. Students must bring four (4) copies of each piece of music being performed to the Sophomore Barrier.

4. Students must perform a longer jury than usual, which will include the following:

   A. Instrumental majors:
      1. All major and minor scales—the number of forms of the minor scale and number of octaves required are at the discretion of the individual teacher.
      2. Two contrasting pieces, to be approved in advance by the major teacher.

   B. Vocal majors:
      1. Four memorized songs, each in a different language, to be approved by the major teacher.
      2. Students should be prepared to answer the following questions about the pieces they are performing:
         a. In what major or minor key is the piece written?
         b. What do any tempo markings provided by the composer or editor mean?
         c. What do any other musical terms provided by the composer or editor in the score mean (i.e. sforzando, rubato, marcato, con sordino, etc.)?
         d. In what style period (Renaissance, Baroque, etc.) did the composer of the piece live?
            Be prepared to discuss some background on the composer and his works.

   Students will be evaluated using the Sophomore Barrier Performance Rubric (following). A score of 50 or higher is required for continuation in BA degrees; a score of 65 or higher is required for continuation in the BME degree, and a score of 80 or higher is required for admittance to the BM in Performance degree.

   Results may include: Pass, Pass with Conditions, or Fail. Students may retake their Sophomore Barrier the following semester if it is failed. Scholarship money will be decreased for one semester and resumed the next semester if passed. If the student does not pass, he/she will be required to change majors and will lose all Music scholarship monies.

   3. In addition to the above, music education students will also be asked the status of requirements for being admitted to the Teacher Education program, the Praxis Core Test I, TEP Essay, Field Experience log sheets and tasks for EDU 224, MUS 102, and MUS 281. If sufficient progress has not been made in these areas, results of the Sophomore Barrier will be affected.

Chamber Music Experience
Every music major is required to participate in a chamber music ensemble. At least one semester is required for students in the Bachelor of Arts in Music or Bachelor of Music Education degrees. The Bachelor Music in Performance degree requires that vocal majors participate in at least two semesters of chamber music and that instrumental majors participate in at least four semesters. Performing in any of the following ensembles will meet this requirement: MUE 105, 106 (any of the woodwind ensembles), 107, 108, 109, 110, 112, 113, or 114, all of which are listed above. Opera Workshop, MUS 241, also counts as chamber music experience. MUE 110, Chamber Music Ensemble, provides the opportunity for students, who for a variety of reasons are not in established ensembles, to create their own chamber music ensemble which will perform suitable repertoire with the advice and supervision of the appropriate music faculty member. Bachelor of Music in Performance instrumental majors must complete a chamber music requirement each fall.

Music (MUS—Music Courses)

MUS 100. Repertory Seminar. (0)
Weekly performing and listening experiences, including student, faculty, and guest recitals and concerts. Written critiques of selected performances will be required of all students.
Eight semesters required of all music majors except music education majors who are required to complete seven semesters.
Offered every semester.

MUS 102. Introduction to Music Education. (2)
Required for all Music Education majors and taken the spring semester of the freshman year.
Students beginning their journey as music teachers will explore the many facets involved in public school music education and begin the development of a philosophical stance for teaching children. An historical overview of music education—including key pioneering leaders and symposia—along with realizations and introspection of why one wants to be a music teacher along with why music is required in the public schools will be probed. Requirements for sophomore barrier, graduation and state licensure will be thoroughly articulated.
12 field experience hours are required. A $100 Education Fee will be incurred for this course. Offered spring semester.

MUS 141. History of American Music. (3)
A study of the development of American music beginning with Native American music and then progressing from Colonial music to contemporary American music. The first half of the course will cover classical and folk music, while the second half will examine jazz, rock, and popular music styles. This course will usually be team taught within the music department.
Satisfies 2014 Core Curriculum requirements as an Interdisciplinary course (IDS).
Offered spring semester, odd numbered years.
MUS 150. Introduction to Music Appreciation. (3)
For non-music majors only.
A guide for students with limited or no musical experience to gain a greater sensitivity, understanding, and appreciation for a variety of musical styles. Cultural and other artistic influences will be discussed and the students' listening skills will improve as they learn what musical elements make each style unique. The main emphasis of learning is early to modern classical music, and as time allows will include basic introductions to folk, jazz, and rock. Lecture and listening to recordings are the primary methods of instruction.
Satisfies 2014 Core Curriculum requirements as a Global Learning 1 course (GL-1) OR as a Humanities/Fine Arts course (HFA) OR as an Interdisciplinary Course (IDS). Offered every semester.

MUS 151. Music Literature. (3)

Dear Music Education Majors,

Welcome back, noble students! To Freshman, let me especially welcome you to our assembly of future teachers. Rest assured that all of us are here to help and support each of you in your journey as a Newberry College music education major.

As the ‘veterans’ know, this is one of the most rigorous degrees on campus. Your time is taken and given in performance activity and enhancement, theoretical acquisition, practice and observation of good pedagogical skill, and comprehension of how all this relates to other subjects and the broader world. In short: You are investing in a service profession that must be a labor of LOVE.

You may have decided to become a teacher because of your personal experiences in music classes, rehearsals, and performances. Undoubtedly, you have had more than one aesthetic experience with some beautiful and wonderful pieces of music. You have grown as a person because of the experiences requiring self-discipline, cooperation in teamwork, development of tolerance to other viewpoints, and self-examination of emotional reaction. And, now you want to guide others to have those experiences!

The following pages include information that is music education-specific. Read it over carefully to help you understand and be prepared. Some of the pages are example sheets, others are informational; pay special attention to the pages that are summaries of requirements and classes. Use these to stay on track. *Please also refer to pages 14 and 15 of this handbook for further information regarding music education requirements.*

Together we will work hard to accomplish our aspirations! I truly believe that devoted music educators can bring beauty, tolerance, love, enthusiasm, and delight into the world around us. Our efforts can transcend a single performance, semester, or other “moment”, with positive impact for generations of students—and parents—to come!

Sincerely,

Dr. Patrick Casey
**Bachelor of Music Education**

**Purposes:** The Bachelor of Music Education degree (BME), in cooperation with the Newberry College Department of Education, leads to South Carolina PK-12 licensure and is designed for those students aspiring to the challenging and essential service of teaching music in the public school sector. Students become well-rounded life-long learners, musicians, and teachers of music through a rigorous curriculum including courses in areas of general studies, musicianship, and professional and music education. Candidates choose a concentration of vocal or instrumental music, but upon graduation are prepared and qualified to teach any music subject and level. Successful graduates will possess the knowledge, skills, and dispositions to provide confident, enthusiastic, and committed leadership in the field of teaching music. The BME can be completed in four rigorous years, although some choose to extend it.

The **Mission** of the Bachelor of Music Education degree: Through intellectual, spiritual, social, and artistic growth, our future teachers will aspire to affect and enhance individual lives, communities, and the world through teaching the art of music. Our music teacher graduates will be passionate advocates of influencing public understanding, appreciation, and aesthetic reaction in all realms of music.

The **Goals** for our future teachers of music education are based around the Conceptual Framework which was designed and approved by members, including the music representative, of all education-related areas. Graduates of the music education program attain the following Conceptual Framework-based goals:

* **Best Practices:** Graduates will have practiced experience in current methodologies, pedagogical skills, and strategy for use in the music classroom.
  
  Graduates will identify and analyze best practices for classroom management in varied music settings.

  Graduates will seek and develop strategy to stimulate creative and aesthetic reactions and abilities in students.

  **Collaboration:** Graduates will identify and problem-solve for issues concerning relationships with students, parents, colleagues, community members, and administrators.

  **Content:** Graduates will have shown personal growth in musical knowledge and skill

  Graduates will become serious and continuous learners of current material, resources, and technology, needed to be competent music teachers.

  Graduates will realize the importance of teaching music literacy through a solid curriculum.

  **Diversity:** Graduates will be empathetic and supportive of people from differing race, culture, and economic background, and use music to promote tolerance and respect.

  **Ethics:** Graduates will serve as models to young people and will demonstrate professional attitudes, dress, and behaviors.
FIELD EXPERIENCE HOURS
Music Education

Field experiences are just what they indicate: ‘experiences in the field (classroom) of music education.’ These are one of the most important practices of acquiring your teacher education degree, and if respected and used properly they can be of the most value. Your very important job is to observe public school children and teachers, watching and analyzing what subject matter is taught and how it is imparted to students of all grades. Because the degree at Newberry College and for the state of South Carolina is PK-12, Broadfield, you will all have opportunities to observe in every grade area; elementary, middle school, and high school, and in every music area; general music, band, orchestra, and chorus.

Each field experience has a certain number of hours which you must attain. Sometimes this is difficult with the extremely busy schedule with which music education students must deal. However, the hours are manageable if you exercise excellent time management. In addition, so the experiences are more meaningful and helpful a ‘task’ will be assigned for each field experience, providing you with specific areas of concentration to observe. You will be asked to become part of the class and even work directly with or teach students. Below are some pointers to succeed in gaining your hours, and rules that accompany them.

1. Field experiences are wonderful and fun opportunities to actually be in a setting that is your future. It is a time to work with students and with music and students. You will be exposed to the real workings of a school and see it from the standpoint of being a teacher. This is a great chance to explore your career of choice, and learn and reflect about all of its facets. It helps to approach your ‘hours’ with a positive attitude!
2. Assign a given time(s) each week that you will accomplish your field experiences. Actually, put it in your schedule and never miss attending your school assignment.
3. Each time you attend your setting, fill out and have your log sheet signed by the mentor teacher. At the conclusion of your assignment, gather the signed log sheet, ‘task’ assignment, and proof of your interaction with students and hand them into your college teacher whose class assigned the hours. Please calculate the hours on your log sheet. It is YOUR RESPONSIBILITY to get the paperwork into the proper person, who will then give it to Dr. Casey.
4. Dress up the day you go into schools. Be sure to check into the main office before proceeding to your classroom. Be professional in all manners and represent us well.
5. If for an excused reason you are not able to make it to your assignment, you must call your mentor teacher at the earliest possible time, and tell them of your absence. This is the respectful and considerate action to take. We are very thankful for the few music teachers who are always so willing to help us out. Please do not abuse their generous offerings of help, sharing, and expertise.
6. Always be in the classroom to gain knowledge and to help in any way that the teacher asks. Never argue with a teacher about what or how something is being done. However, it is appropriate to ask questions about situations or actions that you are not understanding. Remain considerate and remember that you are there to learn about the many factors that affect a successful classroom.
7. Say thank you each visit and especially at the end of your time. Don’t forget to thank the students, also.

The state of South Carolina requires you to procure 100 hours of field experience time. You cannot graduate without these hours being accomplished. In addition, a background check is required the freshman year for the cost of $25.00. If you are arrested for any reason past your initial background check, you MUST report it. Depending on the arrest details, you may or may not be allowed to continue in the field of teaching. Below are the classes and hours you must gain for each.

Pointers for Success

Following are a few suggestions that faculty and students want to share with you, for attaining your Music Education degree in the allotted time and with less stress. It is important to enjoy your college experience, but it is also important that you realize, as a freshman, that you are in a demanding degree program. Consider the following:

1. Attend ALL classes and do all assignments on time. ‘Hang-out’ with other students who are serious about accomplishing their college goals. Become, as a freshman, one of those people that others will want to follow in the future.

2. Take the Praxis I test before your sophomore year and have it done. Work with Dr. Hatch and ask for a study guide from the education department before taking the test. You may exempt this test with certain scores on the ACT or SAT. Please see the main catalog for this information.

3. Make sure to do your teacher education essay and other paperwork on time.

4. Never miss or get behind in your field experiences or the tasks assigned with them.

5. Actually, write field experience time and practice and study times onto your schedule, and stick with the plan.

6. Join NAfME for both support and professional development. Be sure to attend all music education meetings to stay current with information.

7. Ask upper classmen for advice in registering for classes and register early to attain the desired classes.

8. Drop by and see Dr. Casey. Don’t let issues fester, and let your faculty help you avoid bigger problems.

Total Hours: ______________
JUNIOR/SENIOR RECITAL CHECKLIST

_____ Select your repertoire in collaboration with your applied teacher. In completing the program, be sure to include the full title, all movements, composers’ full names, and dates. Carefully check spelling!

_____ Select date of the recital and recital hearing in coordination with the following people:
   _____ Applied Music Instructor
   _____ Accompanist
   _____ Ensemble members (if applicable)
   _____ Department Chair

_____ Recital Hearing – Approximately three (3) weeks prior to the recital (date will be in conjunction with selected recital date).

_____ Submit the following at the hearing:
   _____ Junior/Senior Recital Approval Form – The program must be typed or clearly printed on the form.
   _____ Recital Press Release and Poster – Requires faculty approval.
   _____ Program Notes/Translations – Program notes and translations of all pieces in a foreign Language (if applicable) must be submitted with your program.

_____ Obtain signatures of the faculty on the Junior/Senior Recital Approval Form and return to your applied music teacher (she/he will hold it until the recital).

_____ Recording request – Make sure your applied instructor has requested a recording of the recital through the music office.

_____ Programs – Submit final draft of program and program notes to the Music Office four (4) weeks prior to recital. Approximately two (2) weeks prior to the recital you will be notified that your program is ready for review. Before the program can be printed you must proof it. Please give the program to your applied teacher for proofreading before resubmitting the program to the Music Office for printing. If it is one (1) week before the recital and you have not heard from the Music Office about your program, please ask about its status. Failure to meet this deadline will result in preparing and copying the program yourself!

_____ After the recital, obtain signatures of the faculty on the Junior/Senior Recital Approval Form, and return the form to the Department Chair.
This form must be submitted at the recital hearing. Date _____________________

I, ________________________________, am checking out the instrument/room key listed below from the Newberry College Department of Music for the time period specified below.

I understand that this instrument/room key is my responsibility and I must return it at the end of this semester/time period in the same condition that I received it. If the instrument is destroyed or lost, I take full responsibility for it and must/will replace it with an instrument of comparable quality and value. If the instrument is damaged in any way, I understand that I am responsible for having this instrument repaired. Normal wear and tear for normal usage will be paid for by the Department of Music. However, any extensive damage is my responsibility and I must pay the cost to have it repaired or replaced.

By signing this agreement, I agree to all of the above conditions.
